Anger over Collymore war Tweet

WAR veterans have called on former England and Liverpool striker Stan Collymore to apologise and resign from his radio job after his comments that Britain "thieved" the Falkland Islands.

Around 40 people, including decorated ex-servicemen who served in the conflict, held a silent protest outside the talkSPORT headquarters in London where Collymore is a pundit.

The tweet, from his personal account, read: "Falklands? Wasn't anyone's. We just thieved it, as we do."

Veterans said it was the timing of the tweet, on the anniversary of the sinking of missile destroyer HMS Coventry on May 25 1982, leading to 19 deaths, which upset them, rather than the content.

Campaign spokesman and Falklands veteran Dougie Brimson, who organised the protest, said he believed in freedom of speech but said Collymore had overstepped the mark.

In a statement, talkSPORT said: "We have no comment at this point."

ECO-IDIOTS TRASH STONEHENGE

THOUSANDS of dreadlocked eco-loonies showed their love of Mother Earth yesterday morning – by dumping tons of litter across the Wiltshire countryside.

An estimated 37,000 people saw the sun rise at Stonehenge on the longest day in the calendar.

Following the event, thousands of self-proclaimed environmentalists left the chalk downs covered in their empty booze bottles, plastic bags and fag ends.

One nature lover said: "These bone-idle, unwashed parasites bang on about saving the f***ing whale and how bad for the planet fracking is, yet they can't be bothered to take their own garbage home."

Wiltshire Police officers last night said around 25 arrests were made – largely for drugs-related offences.

IRAQ NUTS START FIGHTING EACH OTHER!

PEACE BRIGADES: Volunteers take up arms against Isis

TERRORIST invaders in Iraq have begun killing each other, say military sources.

Sunni militants who fought together to capture swathes of Iraqi territory turned their weapons on each other during clashes in Kirkuk province that cost 17 lives.

The fighting erupted on Friday evening between main rebel group Isis and the Army of the Men of the Naqshbandiyah Order (JRTN) in Hawija, in Kirkuk province.

The firefight is a potential sign of the fraying of the Sunni alliance that has overrun vast stretches of territory north of Baghdad in less than two weeks.

One security official said JRTN fighters had refused an Isis demand to give up their weapons and pledge allegiance to the jihadist force.

Other sources said the two sides clashed over who would take over multiple fuel tankers in the area.

Analysts have noted that while the Sunni insurgents – led by Isis but including other groups loyal to executed dictator Saddam Hussein – have formed a wide alliance, it is still unclear if the broader grouping can hold together.

Isis espouses an extremist interpretation of Islam and wants to establish an Islamic state, whereas other armed groups have political differences with the regime in Baghdad.

Reports of the clashes emerged as Shia volunteers gathered in Baghdad's Sadr City in a show of force against the Isis-led Sunni jihadist insurgency.

Thousands of fighters loyal to powerful Shia cleric Moqtada al-Sadr paraded with weapons in the Sadr City district, vowing to fight the offensive which was launched on June 9.

Islamic extremists and allied militants who have seized large swaths of the country, including the second largest city Mosul, and who have vowed to march on Baghdad.

Sunni militants have carved out a large swath of territory astride the Iraqi-Syrian border and seized Iraq's second largest city Mosul earlier this month.

Guildford Four Gerry Conlon dies aged 60

Sinn Fein president Gerry Adams expressed his deep sadness at the news.

GERRY Conlon, who was wrongly convicted of the 1974 IRA Guildford pub bombing, has died aged 60, his family has announced.

Mr Conlon and the rest of the Guildford Four served 14 years of a life sentence for the attack which killed five people and injured 65, before their convictions were overturned in 1989.

He was later played by Daniel Day-Lewis in the film In *The Name Of The Father*.

Mr Conlon died in his home in the Falls Road area of Belfast after a long illness.

The jailing of Conlon and the other members of the Guildford Four – Paddy Armstrong, Paul Hill and Carole Richardson – is considered the biggest miscarriage of justice in British legal history.

Hottie Helen in fella's mum lesbo shocker

SHOCKED stunna Helen Flanagan is at the centre of an indecent LESBIAN proposal.

The former *Coronation Street* babe uploaded a snap to Instagram of Sally Edgell, the mother of her footballer boyfriend Scott Sinclair.

But Helen, 23, was left reeling after fans suggested she and Sally should get together for an almost-incestuous girl-on-girl BONK!

One cheeky male admirer said of teacher Sally: "Bloody hell ..... Lez up she's lovely."

Helen herself had captioned her snap with the gushing tribute: "Scott's stunning mum!"

It's not the first time Helen has admitted to admiring other females. She recently told how she lusts after American pin-up Kim Kardashian.

Helen revealed: "I know people get angry about her because they say she doesn't do anything but I think she's just beautiful.

"She's got an amazing figure and I love her bum!"

MOVIE babe Anna Kendrick says she's happy for the world to know she FLICKS OFF in the cinema.

The *Twilight* actress, 28, recently stunned fans by sending out a message on Twitter that read: "Never going to a Rylan Gosling movie in a theatre again. Apparently masturbating in the back row is still considered 'inappropriate'."

That Tweet soon made headlines around the world, but *Up In The Air* babe Anna says the scandal left her with a big smile on her face.

She said: "People were saying something inflammatory about me. It was fine. I like using Twitter to get my sense of humour into the world."

Brunette Anna recently admitted she hadn't been 'hit on' by a bloke since splitting up with her ex, Brit Shaun of the Dead director Edgar Wright, back in March last year.

THE LONG

IN UNIFORM: Alexis

By NEIL GOODWIN
neil@sundaysport.co.uk

A FORMER police worker has swapped stiff batons for PORK TRUNCHEONS after becoming a kinky hardcore PORN star, we can exclusively reveal.

Busty Alexis Worrall wore the famous blue uniform in her role as a support worker for Gwent Police, operating from a cop shop in Newport, south Wales.

She was the pretty face of the boys in blue, manning the front desk while liaising with officers and dealing with calls from members of the public.

But the stunning 25-year-old grew 'bored' of being the Plod, and has now opted for a career taking Meat Wagons in her CONSTABLE intead.

The rampant blonde, who boasts 32F bobbies, told *Sunday Sport*: "Working for the police was great, but the night shifts were often long and dull.

"In fact, I once had sex in an interview room to pass the time!

THE OFFICE: Alexis' old cop shop in Newport, Gwent

"In the end I was made redundant during the recession as Gwent Police were trying to reduce costs.

"And I'm sure my old colleagues will be a bit shocked when they hear about my change of career. It's quite a radical one!"

Bouncy Alexis – who now uses her modelling name Lexi Lowe – is openly bisexual and recently filmed a big budget period porn spoof for Television X called *Down on Abby*, where she's seen taking on TWO knobs at once in a sizzling threesome.

The babe also enjoys making X-rated BONDAGE flicks, where she's bound and gagged during 'submissive' sessions – a bit like the criminals she once helped put in prison!

Alexis, who boasts no FUZZ at all on her Old Bill, worked for the Dibble for three years before moving in to modelling. She added: "It had never crossed my mind to do porn. I always wanted to be a police officer and I was waiting for their next recruitment drive.

"When I was made redundant I ended up working as a stripper in a nightclub. I was spotted by a photographer there, and the rest just snowballed.

"I definitely needed time to think everything through properly. It feels right for me now. I feel confident and comfortable and I'm lucky that my family are very supportive of me.

"And it's actually weird how comfortable I am being naked and having sex in front of people!

"I do like it quite rough. I like to be dominated, thrown around a little bit. And I'm greedy. I love to cum over and over again."

Meanwhile Alexis has also shot her first BUM LOVE scenes, adding: "My first anal scene was with three guys!

"It's something I hardly ever do in my private life. I enjoy it sometimes but I have to be in the mood and it has to be done right."

Loose Woman Andrea swaps sex for a Mini

LOOSE Women star Andrea McLean has ditched sex in favour of rally driving.

The 44-year-old says she has swapped men for the race track and even hopes to get behind the wheel at Silverstone.

Andrea, who split from husband Steve Toms two years ago, said: "I'm not even thinking about dating.

"I have taken up motor racing. When I was in my 20s I got my racing license. A few weeks ago I traded my sensible car for a very zippy Mini.

"I'd like to go to Silverstone and be trained to drive like a rally driver."

The mum of two – who had an affair with Toms while still married to her first husband – said the end of her second marriage had led to health problems.

She explained: "My body suffered from the marriage ending.

"I kept getting a shingles-like virus where it knocks the stuffing out of you. It was horrible."

THE VOICE OF YOUR BRITAIN

Russia's weapons of mass distraction

IN this country's various quarrels with Russia, the tyrants of Muscovy have been able to rely on one weapon.

Not intercontinental ballistic missiles.

Not vast squadrons of battle tanks.

Not innumerable armies of vodka-fuelled automatons.

No, the greatest weapon the Kremlin can use against this country is the fifth column of bleeding-heart, left-wing nincompoops who stop at nothing to advance Moscow's godless causes.

Lenin himself called his naïve allies among the western chattering classes "useful idiots".

To call these people idiots is to vastly underplay the damage they could do our realm.

At one time they excused the horrors of Stalin's Gulags.

In another they agitated for nuclear disarmament in the face of terrifying Soviet atomic firepower.

Now it's the turn of the "environmental lobby" to do the bidding of cold-eyed strategists in snowy Moscow.

By opposing fracking – the extraction of gas from beneath the United Kingdom – the green lobby would lay us at the mercy of Russia and her stranglehold on supplies of fuel.

And today Sunday Sport reveals that Russian agents – using every trick in the KGB book – have infiltrated anti-fracking groups with promises of exotic, oriental sex practices.

How sad that this country's security should be sold down the river for the price of a grope and a fumble in some Sussex wigwam.

Hedge your butts

ANIMAL rights groups have, quite rightly, asked why Godfrey Watkinson is not in prison today.

This monster in quasi-human form inserted a dwarf hedgehog – that most lovely of the Erinaceidae – into the foul void of his fundament.

We may live in a land and at a time when the gospel of sexual diversity is preached from every secular pulpit.

But there comes a point at which we say: NO MORE!

No man on God's earth has the right to put a hedgehog up his bottom.

And all hedgehogs have the right to be protected from such a ghastly fate.

'I want to lick your bumhole clean'

FAN'S KINKY REQUEST FOR STUNNA EMMA

HORRIFIED pin-up Emma Green has told how kinky male admirers BEG to lick her BUMHOLE clean!

The 25-year-old model has opened up about the taboo sex request, saying she was shocked when a man got in touch asking to be her "toilet slave".

He even offered her CASH to tongue her mimsy and rusty sheriff's badge after she had been to the BOG!

Nervous Emma, a top heavy 32DD from Cardiff, explained: "I get a lot of weird messages on my Twitter and email.

"But the most recent was really odd.

"This man messaged me, offering me money to be my toilet slave.

"It was £400 a visit to lick my foof clean after I'd used the toilet.

"Then gradually after a few times he would get to drink my pee.

"He also said that my ass is far too delicate to use rough dry paper on it, and that he wants to lick my bum clean too!"

By JOHN FITZPATRICK
fitzy@sundaysport.co.uk

Drooling

But this isn't the first strange request that the beauty has received from her legions of drooling fans.

From licking old shoes to laughing at their tiny penises, Emma has heard it all.

She added: "I receive lots of odd requests. Somebody once wanted to buy my SWEATY old gym socks.

"And I was even once offered money for old shoes so that they could lick them clean and sniff them.

"Why would anyone want to do that?

"But that's not even the weirdest. One bloke emailed me and asked if I could kick him in the balls and humiliate him.

"He wanted me to point and laugh at his small dick.

"I had no idea what to say."

Even though curvy Emma is inundated with odd requests, she still insists that she will NEVER act any of her fans' extreme fantasies out.

She said: "Even if they offered me loads of money I wouldn't do it.

"I wouldn't want a man to lick my dirty bumhole."

Neighbours plagued by Morrissey

A CELINE Dion fan who made his neighbours' lives a misery by repeatedly singing along to *My Heart Will Go On* has been busted by the noise police for a second time – playing The Smiths and Vanilla Ice.

Gareth Davies ignored six noise abatement notices before enforcement chiefs swooped in April and confiscated his 3D TV, a laptop, speakers, a sound docking station with iPod, 32 DVDs, CDs and a PlayStation 3.

The 47-year-old was handed his equipment back in May, but was busted again last week.

This time, however, former window salesman Mr Davies was heard warbling along to The Smiths and Vanilla Ice.

Among the songs blasted out from his home in Strood, Kent, included *The Boy with the Thorn in his Side* by Morrissey (*above*) and Vanilla Ice's *Ice Cold*.

The council have now confiscated the same items, as well as a new 50-inch TV, and are now threatening to destroy his stereo gear.

Hunt is on for palace flasher

COPS are trying to snare a serial flasher targeting teen girls at the site of Henry VIII's most famous palace.

A 16-year-old saw him touching himself on a bench before following her.

The dark-haired six footer then exposed himself to three girls near the gates of Nonsuch Park in Ewell, Surrey.

The park featured last week in the BBC4 documentary *Majesty and Mortar: Britain's Great Palaces*, presented by historian Don Cruickshank.

Detective Constable Hannah Millyard said: "These incidents have been very distressing for the girls involved.

"It may be that there are further witnesses out there, who for whatever reason have not yet contacted officers with information."

The flasher is described as a light-skinned Asian of average build.

LET ME COACH YOU ANDY...& WE CAN WORK ON YOUR LOB!

SCOFFED: Donna (*left*) reckons Murray (*right*) needs more 'heft'

A 25-STONE tennis ace last night poo-pooed Andy Murray's new choice of coach as a "wee slip of a wet fart".

Sturdy Donna McKevitt, 34, reckons the defending Wimbledon champion is on a hiding to nothing with Amelie Mauresmo pulling his racquet strings.

Donna, of Largs, Ayrshire, scoffed: "Och, I'm sure Andy thinks he knows what he's doing employing Amelie Mauresmo as his coach.

"She is, after all, a former world number one and Wimbledon champion.

"But, will you just look at her?

"She may be a force to be reckoned with in the lassies' game but the men's game needs altogether more heft, and that's where I come in.

"I'd have Andy scoffing a proper Scottish breakfast – with square sausage, whisky and Irn Bru – then a wee jog to yon bookies afore a pint or two of heavy for elevenses.

"I'll bet that wee slip of a wet fart Amelie has him doing press ups and eating nuts, for Christ's sake!

"That's nae life for a Scotsman."

Murray surprised many tennis pundits when he announced that Frenchwoman Mauresmo was to be his new coach.

The move makes Mauresmo the first woman to coach a top male tennis player.

Earlier in the year he split with former coach Ivan Lendl, who piloted the 27-year-old to Wimbledon victory in last year's Men's Final.

Desperate Scousewives star & celeb blogger Jaiden Micheal joins Sunday Sport

ANOTHER bunch of pricks have come out the woodwork this past week, the WAGS.

Yes, "World Cup Fever" is well and truly on and our lads' Wives And Girlfriends seem to be fairly quiet so far.

Maybe the WAG hype in the media has died off or maybe it's because no publication wants to print pictures of a group of parasites that resemble the cast of Prisoner Cell Block H. Dogs

EACH year the British public eagerly await two major reveals in the entertainment industry – the new X-Factor judging panel and which lucky fella has fathered Katie Price's latest kid!

After endless months of speculation about who will join the ever-changing judging panel, the latest line up was confirmed last week when the cringe-worthy auditions began.

Joining Mr Big Trousers, Simon Cowell, are his "hugely talented" Geordie Princess, Cheryl Cole; Scary Spice (Mel B – TV Gold); and Louis Walsh (right) – who is the X-Factor equivalent of herpes, as in you just can't get rid of the bugger!

It crops up a few times a year and drains the life out of you!

How he manages to keep his job each year is beyond me. Ten years in, he still can't speak proper English, still sucks his gums like an OAP bulldog with an incontinence problem and STILL uses the same compliments he's used since 1973: "You're like a young version of someone dead".

I hear Cheryl has refused to sit next to him, and I don't blame her! I bet he stinks of athlete's foot...

Simon promises this year will be the best series ever. Let's hope he finds someone who doesn't f*** off and get pregnant the minute they win like Sam Bailey, the inconsiderate bint.

Simon, change the line up all you want, find the best singers this side of Widnes but nobody will ever have a name as cool as "RAAAAACHAEEEEEL ADERDAJEEE!"

IN other news, Chantelle Houghton (left) claimed Kelly Brook is "attention seeking". Erm, that's like me calling SuBo "fat".

Oh, give it a rest Chantelle, you're about as relevant as Maureen from Driving School.

BIG Brother was a bit boring last week, wasn't it? Helen (right) is still breathing, Ash is still a mute and Mark is still "fewwwwwmin".

But viewers might pay more attention to this year's *Big Brother* if it featured more babes like THIS saucy stunna from Spain's version of the reality TV show.

Here in the UK Channel 5 bosses are red-faced after a ratings CRASH last week.

An average of just 900,000 people tuned-in to watch a load of no-marks bicker about toothpaste and fags while failing to get naked in the shower.

That's down a MILLION on last year, and a long way from *Big Brother*'s C4 heyday, when 9.2m tuned in to see Kinga Karolczak shoving a wine bottle up her clout or witness nubile Shell Jubin streaking naked around the *BB* garden.

Susana Molina won the Spanish *Big Bro* – aka *Gran Hermano* – earlier this month and promptly posed for her first BOOBS-OUT glamour spread for a magazine!

The 28-year-old brunette said: "After months of being on TV, I feel more secure than ever. But I want to prove I'm more than a cute little girl."

The image is beamed around the world as proof positive that female fans of Brazil, the home of the international game, really ARE the best in the world.

But the saucy snap has caused scandal for the South American World Cup hosts as it was revealed the woman – Morena Gabeira, 29 – was until recently a Catholic NUN!

The uproar follows the experience of England fan Carl Wenz, 46, whose commitment to his long-term partner back home was called into question when he was snapped chatting to another pretty Brazil fan.

A picture of the pair apparently cosying up at England's 2-1 defeat to Italy went global – forcing poor Carl to deny he was trying to get the girl's number.

And he was adamant they were just posing for a match 'selfie'.

Now Morena, whose work has involved helping to save children from rural areas becoming victims of human trafficking, has become the subject of national debate.

Sao Paolo-based priest Father Antônio Sobrinho said it was his understanding that Miss Gabeira had "become disconnected with her calling and was no longer in the protective arms of her faith".

But refusing to criticise her behaviour outright, he added: "It is for the person in question to study their own actions and consider, perhaps, how those actions might be seen in the eyes of our Holy Father."

In England, a pal of butcher and father-of-four Carl said the supporter would have laughed at the controversy surrounding his now famous selfie pic.

Friend Jonathan Grieg, who lives near Carl in Harlow, Essex, said: "He's in a long-term relationship and would consider the interest generated in this picture hilarious."

ACTOR Danny Dyer has hinted that he's set to BONK Dot Cotton in a future *EastEnders* storyline – describing her as a GILF!

Dyer, who's starred in movies *Football Factory* and *Human Traffic*, tweeted a pic of himself in Albert Square, with Dot's head on superimposed on the body of his on-screen wife Linda, played by Kellie Bright.

He then called Dot a "GILF", which stands for "Grandma I'd Like To F****".

He wrote: "Massive sex scandal on the cards in the Carter household... so wrong...but Dot is the GILF of all GILFS!"

Beware of the beaver!

A STUNNED canoeist who witnessed a terrifying BEAVER attack says it resembled a "horror flim".

The watery critters have recently been re-introduced to Britain, with a thriving population in Ottery St Mary, Devon.

But a recent mauling of a kayaker in Rochester, New York, proves that UK animal lovers need to be wary of approaching them.

Nate Reynolds was supervising a lesson when one of his students was attacked by an angry semi-aquatic rodent.

Nate said: "I saw a guy getting pulled into the water. It was like a horror film!"

The victim, Michael Cavanaugh, is recovering from deep wounds.

The animal released its grip, but not before Reynolds beat it to death.

Beavers are vegetarian and only attack humans if they have rabies.

HERE'S your latest World Cup tips, from 27-year-old glamour model and footie expert Brandy Brewer...

USA v PORTUGAL

"PORTUGAL are bottom of their group but they still know more about football than the Yanks. In fact, the Americans know can't even get the name right – what kind of A-holes call it soccer? I know Ronaldo is a doubt Portugal but USA have lost their key striker in Jozy Altidore. I'm going for 2-1 to Portugal."

BELGIUM v RUSSIA

"I THINK Belgium will be in the Semi Finals, as the team they have is too exciting not to be. Any side with Eden Hazard in it deserves to at least get past the group stages. Russia seem to be a bit too predictable and lack that real flair. It's got to be 2-1 to Belgium."

SOUTH KOREA v ALGERIA

"Neither of these teams have excited me so far. I so I'm hoping for one of them to spice things up and stop me dozing off. I see a 1-1 draw."

BE FRIENDLY, FRENCH TOLD

FROGS have been told they must be MORE FRIENDLY to help boost tourist numbers to their pox-plagued country.

France – which is often up to six inches deep in raw human waste – needs to shake off its reputation for being unfriendly and learn to be more hospitable, commerce minister Fleur Pellerin said at a national tourism conference in the crime-plagued capital, Paris.

Ms Pellerin said: "Tourism is not an amusing or secondary matter. The stakes are the same as exports.

"Too often we mistake service with servility. The people of this country need to recover a sense of hospitality.'

And French finance minister Laurent Fabius echoed her sentiment, saying: 'The logic is simple, an unhappy tourist is a tourist that never comes back."

Last night France reportedly shrugged and rudely ignored the ministers' requests.

Ghouls 'too gruesome' for wimpy children!

PRODNOSE parents whined that a GHOST RIDE at a summer fair was TOO SCARY for their wimpy whelps.

The ride was ordered to remove a prop depicting a hooded man being hanged – after pasty-faced parents said it was "too gruesome".

Every summer for the past 800 years thousands of visitors have poured into the popular Midsummer Fair in Cambridge.

It is one of the oldest travelling fairs in the country and attracts families of all ages.

But the fair's ghost ride yesterday came under fire from parents who said its portrayal of torture and execution was too graphic and realistic.

One father-of-two said his young daughter needed comforting after seeing the figure hanging from a noose.

The 41-year-old, who was, naturally, too ashamed to be named, said: "I felt so uncomfortable with it. It's very disturbing.

"The wind started blowing and the man was swinging from side to side with the hood on its head. It's too gruesome for a fair.

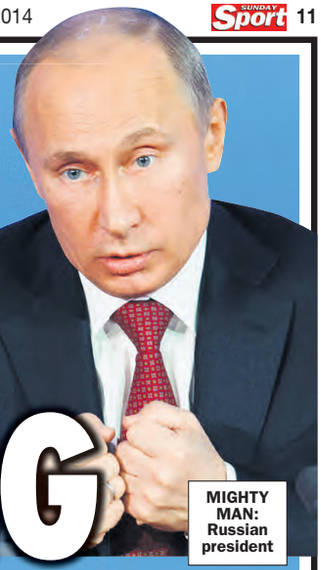
"She was upset and needed a cuddle."

The complaint prompted officials from Cambridge City Council to speak to the ride operator and the dummy has now been taken down.

WHAT A HOOT

A COURTING couple were attacked by an OWL – just as the man reached the vinegar strokes – in the early hours of Saturday morning, at Marbury Country Park near Northwich, Cheshire.

PUTIN'S SEX SPIES SWAMP ANTI-FRACKING CAMPS



MIGHTY MAN: Russian president

Kremlin sleepers infiltrate eco-groups in fiendish gas plot

SUNDAY Sport EXCLUSIVE

COLD-EYED Vladimir Putin has sent his SEX SPIES to infiltrate anti-fracking groups in order to WRECK Britain's efforts to become energy self-sufficient.

By SIMON DEAN
simon@sundaysport.co.uk

Agents who've been trained in high-level KGB-developed nookie techniques have already gone undetected among protest campaigners up in arms over the controversial gas-extraction process.

And it's thought the Kremlin agents will use their special eastern bedroom tricks to seduce sex-starved Swampy types and throw a spanner into moves to develop fracking in the UK.

Revenue

The controversial process of fracking – extracting natural gas from the ground using high-pressure jets of water – could release Britain from its reliance on imported Russian gas.

That prospect worries Moscow, which could lose billions of dollars in revenue and vital strategic influence.

Putin's plans to restore his nation to Soviet-era glory would be thrown into disarray if western nations developed energy sources.

Putin and his henchmen hope to retain their grip on Europe by helping green groups who oppose fracking.

Last week Nato Secretary-General Anders Fogh Rasmussen said Putin's government has "engaged actively" with green groups and protesters in a sophisticated operation aimed at maintaining Europe's reliance on energy exports from Moscow.

He said the Russians had mounted a highly developed disinformation campaign to undermine attempts to exploit alternative energy sources, such as shale gas.

Speaking at the Chatham House foreign affairs think-tank in London, Mr Rasmussen said: "I have met allies who can report that Russia, as part of their sophisticated information and disinformation operations, engaged actively with so-called non-governmental organisations – environmental organisations working against shale gas – to maintain European dependence on imported Russian gas."

Mr Rasmussen did not give details about the level to which Moscow's agents have infiltrated protest groups.

But one highly-placed NATO source told *Sunday Sport*: "Putin is betting the farm on gas supplies. If he cannot control gas supplies to Europe he cannot realise his dream of a mighty Russia.

"As usual, Moscow has targeted a few so-called 'useful idiots' in this country – this time in the ecology movement – to help wreck fracking plans. And, like the KGB before them, the Russian secret services are using sex as a way to infiltrate these groups."

Britain has vast reserves of shale gas trapped in rocks thousands of feet underground that may be extracted by firing water and chemicals to fracture the rock.

PROTEST: Though none of these swampies are spies

MoTD LINEKER TURNS DOWN TIT W*NK FROM BBC BEAUTY

MATCH of the Day presenter Gary Lineker was offered a SOAPY TIT WANK during an extraordinary Twitter row last week.

But the ex-England star REFUSED the offer from a glamorous blonde newspaper columnist who he then branded "inexcusably racist".

It's thought Lineker, 53, was angry at posh Camilla Long for describing his stunning wife Danielle, 35, as a "shimmering orange meat-cut" dressed "in a tight slag outfit" in an article for snooty *The Sunday Times*.

On Friday, Lineker – face of Walkers Crisps – tweeted Long saying: "See you've crawled back out of your pond since your venomous, nasty, uncalled-for racist attack on a woman you've never met."

Oxford-educated Long shot back: "Would a soapy tit wank fix it?"

To which Lineker replied: "No thanks. Maybe you think Danielle should use soap to wash off the colour of her Asian skin? Inexcusably racist!"

Lineker then deleted his tweets.

Camilla (*right*) is a regular panel member on BBC's *Have I Got News For You* and is known for her cheeky interjections. And her big tits.

As another cast member is snatched from us, Sunday Sport today examines the deadly...

CURSE OF 'ALLO 'ALLO

By SIMON DEAN
simon@sundaysport.co.uk

STARS lined up last week to pay tribute to *'Allo 'Allo* legend Sam Kelly, who died aged 70 after a long illness.

Manchester-born Sam played Nazi Captain Hans Geering in the first four series of the hit show between 1982 and 1987.

Former *Doctor Who* Colin Baker paid tribute on Twitter to his drama school colleague, describing Kelly as a "lovely, funny, talented chap".

Director Mike Leigh, who worked with him nine times, told BBC Radio 5 Live that he was the "most loveable guy".

Another role saw Sam play Hitler in 1993 prisoner of war TV comedy drama *Stalag Luft*, alongside Stephen Fry and Nicholas Lyndhurst. Paying tribute on Twitter, Fry said: "Very saddened to hear about Sam Kelly's death. He played a splendid Hitler".

The heartwarming tributes, though, cannot hide what appears to be a shocking and sinister truth – that *'Allo 'Allo* is CURSED!

A *Sunday Sport* investigation has found that the cast list of the much-loved wartime sitcom is little more than a roll-call of death and DESPAIR.

CARMEN SILVERA

THE long-suffering wife of café owner Rene Artois, Madame Edith was blessed with a singing voice that could shatter crystal and a charming naivety when faced with her husband's typically-Gallic philandering.

Canadian-born Silvera narrowly escaped death when, during World War Two, her name was taken off the passenger list of a ship that was later sunk.

Alas, that luck ran out in August 2002 when she died – aged just 80.

ROSE HILL

"OOOH, ze flashing knobs!" was the recurring cry of Madame Fanny Le Fan, mother of Madame Edith and the "mad woman in the attic" Chez Artois.

Fans of 'Allo 'Allo may be surprised to learn the real-life Rose was a former member of the Royal Shakespeare Company and operatic soprano.

Her distinguished career counted for naught when the Curse descended, however, and she was carried off in the arms of the Grim Reaper in December 2003 at the tender age of 89.

JACK HAIG

"IT is I...LeClerc!" No matter how many times we heard that line from the ancient master of disguise, we always chuckled.

And well we might have chuckled, as mirthmeister Haig was born into a London music hall famil.

His last appearance as LeClerc was in the final episode of series 5, where he impersonated a Spanish guitarist. His last appearance on this earth was on July 4, 1989 when he died, aged a mere 76.

KENNETH CONNOR

COMEDY stalwart Kenneth served in the Army during World War 2 and learned his trade in the armed forces concert parties.

He found international fame as a miniature lothario in the *Carry On* films, with his catchphrase "Cor...!"

Kenneth returned to the limelight with the character of Monsieur Alphonse, the undertaker with a passion for Edith.

Alphonse often exclaimed "Oooh... my dicky ticker!" But it was not the ticker that did for Kenneth, it was the Curse of 'Allo 'Allo.

HILARY MINSTER

MINSTER had a fine roll of credits to his name including *Tinker, Tailor, Soldier Spy, Secret Army, Crossroads, Upstairs Downstairs* and *Doctor Who*.

But it is as General Erich Von Klinkerhoffen in *'Allo 'Allo* that we loved him best.

The essence of Prussian efficiency and ruthlessness, Von Klinkerhoffen is quite different from many of his German colleagues in Nouville.

The Curse came calling in 1999 when he was 55.

RICHARD MARNER

FEW will know that Marner's real name was Alexander Molchanoff and that his father was a real-life colonel in the Imperial Russian Army.

It was as a fictional colonel in Occupied France that Marner made his name – as Nazi Commandant Colonel Kurt Von Strohm.

The Colonel was Hans Geering's boss but was often helped by his bungling subordinate.

But the Captain could not help his boss out of the final tangle – Marner died in 2004, aged just 82.

JOHN LOUIS MANSI

IT takes a certain kind of comic genius to get laughs from the most notorious secret police force in history but somehow, Mansi managed it.

The deputy of the fearsome Gestapo commander Herr Flick, Herr Engelbert Von Smallhausen was the cuddly side of the organisation known for stringing up victims with piano wire.

But nothing could save him from the all-powerful Curse – and he died in 2010 aged a mere 83.

GORDEN KAYE

HUDDERSFIELD-born Gorden was talent-spotted by Pat Phoenix of *Coronation Street* fame and came to TV prominence playing Elsie Tanner's nephew in the Weatherfield soap.

But it is as hapless café owner and unlikely sex symbol Rene Artois that we took Gorden to our hearts.

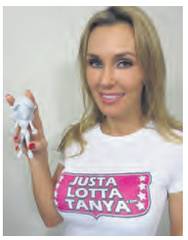
He appeared in all 91 episodes of the sitcom and 1,200 performances of the stage version.

At time of writing, Gorden is in rude health – but even he has not escaped the Curse.

He suffered serious head injuries in a car accident in January 1990, when an advertising hoarding smashed through his car windscreen.

To make matters worse, as he recovered in hospital, his privacy was invaded by a reporter from a downmarket Sunday newspaper.

The outrage marked the start of a downward trajectory for British press standards which culminated in the death of Diana, Princess of Wales.



Bongo babe Tanya gets all dolled up for nerds

PORN star Tanya Tate is launching her own range of ACTION DOLLS.

The Liverpudlian MILF, 35, has won an army of admirers around the world thanks to her no-holes-barred sexcapades.

But she's also a huge comic book nerd, writing for websites like WorldOfSuperheroes.com and Geekscape.net.

And now the busty 34G minx wants to unleash a fleet of customizable figurines based on her own busty proportions.

She said: "I saw that there wasn't an already established strong female blank form, so I created one.

"It has been a long and exciting journey to produce this figure and I'm very close to completion.

"I look forward to having these in hand soon with the help of my supporters."

PERVERT PUT PYGMY HEDGEHOG UP HIS BOTTOM

Fury as monster escapes jail term

PRICK: Evil Watkinson suffered lacerated anus

DEFILED: Hog like this was forced up man's arse

SUNDAY Sport EXCLUSIVE

A PERV who paid £175 for a trendy pygmy hedgehog shoved the six-month-old creature up his own BOTTOM for sexual excitement.

Astonishingly, the spiny mammal survived the ordeal – but warped Godfrey Watkinson was left needing hospital treatment for a lacerated anus and perforated rectum.

Concerned medics contacted police who, after questioning Watkinson, found the bedraggled hedgehog along with what they called a "sundry sex apparatus" in the 49-year-old's flat.

The hedgehog has since been taken in by an animal welfare charity and is being kept at an undisclosed location.

By SIMON DEAN
simon@sundaysport.co.uk

Watkinson last week pleaded guilty to a specimen charge of causing unnecessary suffering, was fined £200 and banned from keeping hedgehogs, porcupines or echidnas for 10 years.

Last night Watkinson, who runs an internet-based fetish contact group, attempted to defend his outrage against the laws of both man and God.

When *Sunday Sport* tracked him down to his run-down flat in south London, he reluctantly told us: "It was my hedgehog and if I chose to insert it into my bottom, that's my business.

"The court accepted that no lasting harm came to the animal. It punished me for my sexuality and that is contrary to my rights under the European Human Rights Act.

"I would take my case to the Strasbourg court, but I have to sign on this Monday."

Gwendoline Paxton, of hedgehog charity Spines are Fine raged: "Why is the monster free to walk the streets. There is nothing to stop him putting another hedgehog up his ghastly bottom. The mind boggles."

In the interests of justice, *Sunday Sport* has passed Watkinson's address to various extremist animal rights groups.

Ugliest dog winner's a bit woof!

THERE was massive disappointment on the set of *Geordie Shore* last night when the cast were overlooked in the World's Ugliest Dog contest.

This year's winner is two-year-old Peanut (*above*) whose wild white and brown hair, bulging eyes and protruding teeth belie his sweet, energetic personality.

Peanut's owner, Holly Chandler of Greenville, North Carolina, says she wants to use her pet to raise awareness about animal abuse.

She plans to use the £900 prize to pay for other animals' vet bills.

The pet contest, held at the Sonoma-Marin Fairgrounds in Petaluma, California, is now in its 26th year.

Dogs are scored by a three-judge panel in categories – including special or unusual attributes, personality and natural ugliness.

BROOKIE LITTLE GIVES LOT OF JOY!

By JUSTIN DUNN justin@sundaysport.co.uk

HORNY Brookie Little drove her fella wild after giving him a tit-w*nk on a motorway hard shoulder during a filthy sex session!

Gorgeous blonde Brookie, 25, says she felt the urge for nookie during an early morning drive down the M6 from Manchester to her home town of Stafford.

And the saucy babe said her man wasn't the only one to enjoy her 34G boobs when she got her top off.

She revealed: "I got a couple of honks from some lorry drivers as they passed us!

"I can only imagine what they got up to once they'd had a chance to pull into the services.

"Just the thought of turning them on as well as my man sets me right off, I can tell you!"

Dog poo mayor is dumped

A MAYOR has resigned after he was caught on camera throwing a bag of DOG POO into a neighbour's garden.

Dennis Kneier stepped down on Tuesday following increasing pressure over last week's filthy deed.

CCTV captured the figurehead casually tossing a plastic bag filled with crap outside the home of Philip Lao.

To make matters worse, the homeowner's lawn even features a "No Poop Zone" sign.

Kneier said: "I thought it would be the very best thing for us to move forward and have a reorganisation and have a new mayor.

"I take responsibility for what happened, I'm sorry it happened – this was a mistake."

But Lao, who had called for Kneier to resign as mayor of San Marino, California, has slammed his neighbour's apology.

He said: "He's been giving all different kinds of versions of why it happens."

TRAVELLING on a train from London to Manchester to watch the cricket, an Oz was berating the Englishman sitting across from him.

"Look at me...I'm ME! I have Italian blood, Greek blood, a little Irish blood, and some Aborigine blood too. What do you say to that?"

The Englishman replied: "Awfully sporting of your mother, old chap!"

Bull cock store takes the pizzle

A SUPERMARKET made a cock-up by trying to sell improperly-labelled BULL PENIS as human food.

The store was hit with a £3,000 lawsuit for flogging "non-inspected, adulterated and misbranded beef pizzle as human food".

Pizzle is the technical name for the penis of a bull or other animals.

The suit alleges that a manager and some staff took pizzle from boxes labelled "inedible beef, not intended for human food" and repackaged it for consumption.

They allegedly added wording to the re-labelled product stating the meat was inspected and from a registered source.

Pizzle is most commonly used to make glue and chew toys for dogs.

The manager of the store in Austin, Texas, has not commented on the allegations.

Muscles

And Luisa has also given some advice on how to spot if your missus is FAKING an orgasm.

She added: "A girl will normally get hotter, and her muscles will contract – especially in her abdomen.

"Her muscles further down south will also do the same and you should feel them TIGHTEN around you.

"And watch out for any OTT porn noises – they're a dead giveaway!"

The kinky love aid allows a naked person to lie suspended in the air, giving a partner free access to their sex holes.

The apparatus is being sold on internet shopping site Amazon – but it is not just sex people who are finding them useful.

Amazon fan Arran Webb wrote: "I have two large St Bernards and this swing is good to hold dogs in while I wash them.

"I hang swing from a tree branch put dog in swing and wash dog while dog hangs in swing. It really is a sight to see but it works."

The St Bernard famously brings brandy to folks lost in the Alpine snows and a St Bernard called Schnorbitz was the showbiz companion of comedian Bernie Winters.

As *Sunday Sport* went to press last night it was unclear whether Bernie Winters ever put Schnorbitz in a sex swing.

THE BIRD!

Amazing boob-baring craze among Britain's MILFs

By NEIL GOODWIN
neil@sundaysport.co.uk

DON'T blame us if you spot your MOTHER in this saucy spread of topless selfies – because Britain's housewives can't stop FLASHING.

The sensational trend has been instigated by UK website Private Milf Pics, which has been set-up to celebrate middle-aged babes.

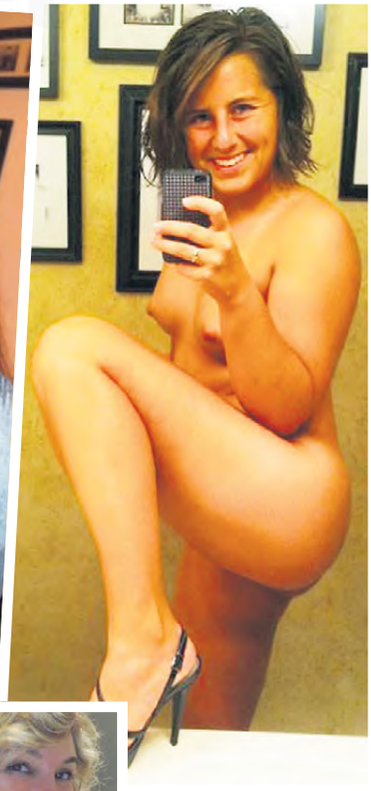
Female visitors are urged to send in snaps of themselves baring their awesome bodies in order to prove there's still life in the old dog yet!

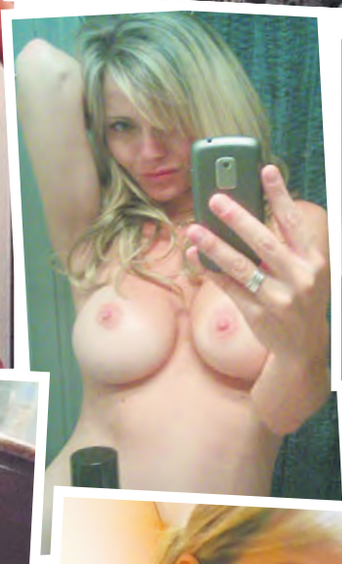
And hundreds of Brit women have got in on the action, uploading images to the net under titles like, "Proud to show it off", and "I'm a hot mum with awesome tits".

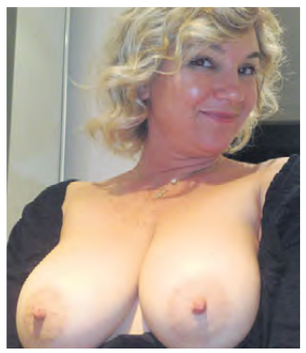
Other pics are simply too rude to print in a family newspaper – showing mums airing their most intimate lady parts and even having sex with their jammy hubbies!

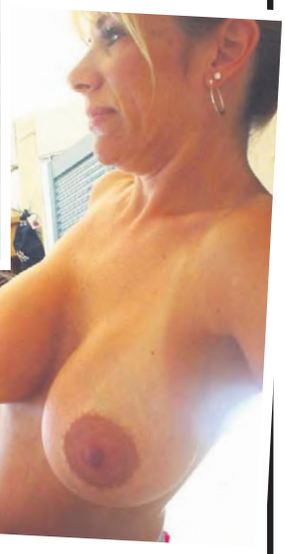
Meanwhile there's also a ratings system, where website fans can vote for their favourite self-shot snaps.

One fan said: "You're never too old to be sexy. And these ladies live by the rule, 'If you've got it flaunt it'."









BIG AND BOUNCY: The website features women of all ages

I'VE GOTTA BIG SURPRISE FOR YOU...WANNA SEE IT? SUCK IT?

WE'VE all joked about waking up next to a tranny after a night on the drink but if the opportunity arose to spend the night with a gorgeous young trans girl plenty of us would go for it, for real.

It's not a closet gay thing...these girls are not interested in guys who fancy guys but real men looking for sexy women. The fact that their c*** could be bigger than yours is neither here nor there! But kinda exciting, all the same...

We have access to genuine UK T-girls looking for text chat and we'll put you in touch with one today. This is a 100% discrete service so no-one will ever know you've been enjoying text sex sessions, let alone sessions with a babe with perfect little tits as well as a stiff little dick! Give it a go...no-one will ever find out.

TEXT A GREY HAIRED GOER!

SOME women just give you the horn. They might be considerably older than you, they might be a friend of your parents or happily married to a wealthy businessman but...well...every time you see her you just want to f*** the arse off her!

That magic, that ability to drive men mad never leaves some women. However old they are, however many lines they have on their face, however saggy their boobs or flabby their belly, they've just got it...in spades!

You might never get the chance to have a go on her bones but you can text someone just like her today.

Explicit

You can text her and tell her how she gives you the horn and how you want to undress her and explore every wonderful inch of her then lose your mess all over her!

You can do it and know that she's gonna f***ing love it!

We've got hundreds of older women like her on our books. Aged from 42 to over 70, we can put you in touch with ladies from all over the UK (just add your postcode to your first text message).

But be warned, these mature women are looking for frank, explicit text sex chat with younger men...and not just chats about jam!

WHY WE ASK FOR YOUR POSTCODE...

WE know that some of you guys are not bothered where a lady lives...as long as she is hot and horny and up for fun!

But many of you want to find a no-strings sex text partner who lives locally. By giving us the start of your postcode we can do this for you. We've got ladies from all over the UK so there's sure to be one living near you! You might have seen her down your street!

If you're not bothered then don't put your postcode in your first message. Easy!

MASTERCHEF BABES GET SAUCY!

JODIE KIDD

SOPHIE THOMPSON

LESLIE ASH

TANIA BRYER

TINA HOBLEY

By JUSTIN DUNN
justin@sundaysport.co.uk

***CELEBRITY Masterchef* producers have pulled off a blinder with their guinea pig cooks this series.**

The hit show – presented by John Torode and Gregg Wallace – features a host of ladies who have ALL famously flashed their boobs – either for the TV cameras, or by mistake!

Former *Corrie* actress Tina Hobley once suffered a wardrobe malfunction when she attended an awards ceremony at London's swanky Dorchester Hotel in a see-through black dress.

Flash

A similar fate befell model Jodie Kidd, whose sheer number at a fashion launch showed off a lot more than she may have intended when snappa's flash bulbs went off!

And telly presenter Tania Bryer has also fallen foul of the perils of not wearing a bra beneath a loose jacket on a night out.

While actresses Sophie Thomson and Leslie Ash – the latter who starred in *Men Behaving Badly* – have both peeled off for acting roles in the past.

One *Masterchef* source said: "It won't just be the soufflés that will be rising on this new series!"

Looks like another fine selection of tasty treats, Gregg

I can't wait to wrap my lips around them!

Horse shagger thief wheels loot off in bin

A BURGLAR who was once nabbed having sex with a horse has been jailed after being caught red-handed as he used a WHEELIE BIN as his getaway vehicle.

Derek Woods stole a safe and a till from a café in Exeter, Devon, and was spotted by CCTV operators as he wheeled away his loot.

Police intercepted him within minutes of him fleeing and arrested him at a city centre church.

He was jailed after a judge at Exeter Crown Court heard he had only been freed on a suspended sentence 11 days before but gone straight back to crime to feed a drug habit.

Woods, 30, of Exeter, admitted burglary and was jailed for a total of 12 months by Judge Graham Cottle.

He was previously arrested in 2010 when a police sting caught him having sex with a horse in Clyst St George, near Exeter.

Hash roundie has gut for drug smuggling!

A HUGE 32-stone man was caught with cannabis hidden under his belly fat by a drug-sniff dog called in during a traffic stop.

Christopher Mitchell, 42, was the passenger in a car pulled over by cops in Phoenix, Arizona, who spotted him not wearing a seat belt.

A dog searched the car and alerted officers to 23g of marijuana stashed in Mitchell's stomach folds.

The suspect and the driver were both arrested in the incident.

Health & Safety row over new Danger Mouse 'bloodbath'

HEALTH and safety experts have blasted the return of cult cartoon *Danger Mouse* – saying its characters "crash a wagon and horses" through their legislation.

The new telly series, featuring the fearless white rodent secret agent and his trusty sidekick Penfold, is due to be broadcast on CBBC next year.

The show originally ran from 1981 to 1992 with Danger Mouse voiced by actor Sir David Jason.

CBBC controller Cheryl Taylor said the new show would "win over a whole new generation of fans".

But Brian Harpin, of the Society of Health and Safety Operatives, raged: "We have spent years trying to get the message across that danger is not fun.

"And now he we have a cartoon superhero with 'Danger' in his name. We would have been much happier to see 'Best Practice Mouse' or even 'Safety Mouse'.

"The BBC should hang their heads in shame. This will lead to a bloodbath!"

HOLBY TITTY!

JAC OFF: Raunchy Rosie disrobes and (*right*) as her Holby character

SHE'S the cold, calculating *Holby City* star you love to hate.

But tough surgeon Jac Naylor hasn't always been so frosty, as she once dropped her guard – and her clothes – for steamy NAKED bedroom scenes.

Fans of the BBC1 show choked back tears this week as Jac, played by actress Rosie Marcel, fought a bitter custody battle with colleague Jonny for their daughter Emma.

Thesp Rosie, 37, says the scenes were exhausting to film as she had to cry non-stop for days on end.

Hospital drama's ice queen in secret topless pictures

By NEIL GOODWIN
neil@sundaysport.co.uk

And the babe says she also found THIS astonishing topless clip excruciating to shoot, as she was so nervous about getting her perfect boobs out.

Speaking about the strip in 2000's Channel 4 drama *The Secret World of Michael Fry*, she said: "The first day I had a lot of nude scenes. It was my choice to do them then – I wanted to get them out of the way.

"By the end of the day I was covered in so much baby oil. I had a shower and a bath, then another shower!"

Rosie played a prostitute in the drama, which revolved around a political scandal in a Welsh seaside town.

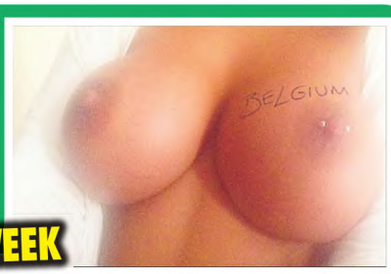
TIP OF THE WEEK



ENJOYING the World Cup?

Belgium meet Russia at the Maracana area in a Group H match-up today and it's set to be a cracker!

A win for Marc Wilmot's men will ensure Belgium's spot in the final 16.

Belgium started the tournament as the favourite to top Group H. However, they faced a tough challenge in their opening match against Algeria.

The Belgians however showed great spirit having come back from 1 nil down to win 2-1.

So I'm going for a Belgium win today.

With the likes of Kompany, Hazard and Lukaku in the squad, I can see them being too strong for Russia.

Go to tipsontits.co.uk and you'll get huge odds of 3/1 for Belgium to win – plus check out our brilliant World Cup section!

COCK-ER SPANIEL!

NO, that's NOT a large black knob you're staring at – it's a dog!

This confusing snap of someone's pet cocker spaniel looking like a cock and balls – complete with BELLEND – is doing the rounds on Twitter.

Eagle-eyed readers will note the hound is playing with a white toy – which at first glance makes it look like SPUNK spurting out of the JAP'S EYE!

Twitter user @DavidTheDolphin wrote: "This ain't nothing like a hound dog... Hilarious, if I had a pooch like that I'd spend day looking down at it!"

And @GrandFeftival said: "When I saw this over breakfast I almost coughed up me cornflakes."

And @BublyLass was on the money when she said: "Never mind the dog – whoever picked that carpet was obviously having a laugh."

DEANO ON SUNDAY

IT'S good to see the pressure group Index on Censorship – a body which I thought was rather serious – has a sense of humour.

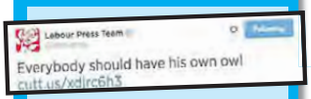
For Index, who campaign against restrictions on press freedom, have appointed Steve Coogan *(below)* – Alan Partridge to you and me – as a patron.

This is the same Steve Coogan who, through his work with the anti-tabloid newspaper campaign group Hacked Off, helped destroy press freedom in Britain.

To his eternal credit, *Private Eye* editor Ian Hislop has resigned from Index, but I doubt that will much bother the self-serving clique of Guardianistas who run the public sector, charities and pressure groups in this country.

These people are taking over and nobody is doing a thing to stop them. It will soon be illegal to hold an opinion not formed in north London.

When you look at some of the "diversity and equality" legislation enacted recently, we're nearly there already.



ON Thursday, the Labour Party tweeted that their new policy was to give everyone a free owl.

Moments later, Labour claimed their Twitter account had been hacked and that their policy was, in fact, "fair play for hard-working families, drone, drone, blather".

Account hacked? My f***ing arse.

Imagine the poor sod who is responsible for Labour's Twitter output. Churning out hour after hour of party-line claptrap only to get the occasional response "Ed Milband's a tosser".

It would be only natural to slip out something really silly, just to check if anyone's actually listening.

As it is, free owls is just about the most sensible policy the Labour Party has come up with in the last 40 years.

IKEA Hackers

Flat-pack bullies!

IKEA has threatened legal action against a popular fansite that shows users how to modify their flat-pack furniture.

The Swedish chair giants sent a cease and desist letter to Jules Yap, the owner and operator of IKEAhackers.net, requesting that the web address be handed over to the company no later than June 23.

You're not disabled... you're just a greedy fat pig

STOMACH FOR THE FIGHT: Karsten Kaltoft

A 25-STONE Danish man called Karsten Kaltoft has taken a case to the European Court which could lead to overweight – nah, f* it – FAT people being classified as disabled.**

If Kaltoft gets his way, companies across the EU may soon have to provide fatties with larger seats and parking spaces next to the office.

It will also be illegal to discriminate against applicants on account of obesity. I imagine the trapeze artists at Bill Smart's Circus are watching very closely…

Now let's skip over the fact that, whatever the gender jihadists say, it is abnormal for a bloke to be a childminder. Let's ignore the fact that Mr Kaltoft looks like the sort of person you warn children to stay away from in the park.

For the moment, we can ignore the fact that Kaltoft was too fat to tie a child's shoelaces without help from colleagues and that if he overbalanced, his bulk would instantly flatten the average kindergarten-age nipper.

Let's look at the basic question: is being fat a disability that grants you special rights?

Simple answer: no.

Long answer: no.

The brilliant comedian Jasper Carrott summed it up expertly when he explained why people get fat: your mouth is bigger than your arsehole.

That, for the vast majority, is the long and short of it.

Yes, there are people who overeat for psychological reasons, just like people overdo booze, sex, drugs and gambling.

But the vast majority are overweight because they shovel too much pie into their slobbering maws and do too little to burn off the calories.

People who lose limbs or who struggle with other life-challenging ailments are disabled.

People who eat themselves to a standstill are not.

I WENT away on my holidays last week.

When I returned, Britain's new best friend was Iran and Tony Blair was back on the telly explaining how he's a straight kinda guy.

Shall I go away and come back again?

Because something's clearly gone very wrong.

I LIKE Royal birds. Good breeding, horsey types, like the outdoors. It's a combination that screams "bangs like shithouse door when the plague's in town".

Until now I've concentrated on the younger set, the likes of Beatrice, Eugenie and the goddess that is Zara Tindall.

But after seeing this picture of Sophie Wessex, I feel myself strangely drawn to Prince Edward's missus…

Drunkard's attempt at outdoor plop caught on camera

HIC: Vincent in happier times

By JUSTIN DUNN
justin@sundaysport.co.uk

A DRUNKEN tramp who tried to have a discreet outdoor dump ended up falling arse over tit and shitting in his own TROUSERS.

Worse still for notorious vagrant Vincent Burgess, the whole hilarious episode was caught on camera by sniggering eye-witnesses who put it online.

Passers-by watched Vincent, 53, staggering around the outskirts of Crewe, Cheshire, clutching a near-empty bottle of cheap vodka.

Student Ivan Morris, 22, said: "We all know Vincent. He was staggering and bumping off every wall so we decided to follow him to check he was okay.

"He went in to a walled garden and suddenly began trying to remove his trousers. He was clearly trying to have a number two.

"But he was that drunk he stumbled over his own trousers, fell over, rolled down a slope and ended cacking in his own keks."

Last night Vincent was believed to be sleeping the incident off in a railway station toilet block.

HOLLY WILLOUGHBY'S ANAL SHAME!

Bum's the word for This Morning babe

SHOCKER: Holly and (inset) Anil Kapoor

By JUSTIN DUNN
justin@sundaysport.co.uk

GORGEOUS *This Morning* host Holly Willoughby has confessed to her ANAL SHAME.

And she has recalled the time her boob popped out of her top while she was dancing on live children's TV.

The married mum of two, who is pregnant with her third child, was talking about any embarrassing incidents on the show.

Holly, 33, said: "The worst moment came when I was talking about Indian film star Anil Kapoor.

I got my words totally mixed up and blurted it out as Anal Kapoor. I couldn't even explain what I had done and sat there like a lemon.

"I almost died over that one.

There's also internet footage of when my dressed slipped down, during an energetic dance routine on kids' television.

"It's live TV, so you just have to smile and carry on."

Age 20, 32F-24-34, from Camberley

BRITAIN'S GRUMPIEST COLUMNIST

Les Miserable

THE World Cup is now well underway, and it has been a joyous feast for the eyes, with almost every match filled with excitement and goals.

Pity that the England team made such a massive pig's ear of it all then, isn't it? I've never seen such shocking ineptitude since Ray the landlord down at my local tried to promote his new gay night by pouring pink food dye in everyone's pint and flogging them for half price.

Just what was the problem for England? Was it the climate? Was it the new World Cup ball? No – it was the fact that the squad was full of overpaid, jumped-up arseholes who had fallen for the hype that they might be world class footballers.

They should be forced to walk up and down the high street of every town and city in England, chained together by their wrists and ankles so that we can hurl both abuse AND carrier bags filled with damp animal shit at them.

GREAT news for Roy Hodgson – in spite of the fact that he has stewarded England through a disastrous World Cup campaign, the 66-year-old has been told that he'll be given the opportunity to guide the nation to the finals of Euro 2016.

What? WHAT?? This hapless, hound-faced national irritant has just led us to our worst World Cup performance since before Cliff Richard was in the charts and we're sitting back and letting him have another go?

That's like finding Harold Shipman guilty of mass murder, telling him that we understood there were some flaws in his methods but letting him try and iron them out back at work.

It goes without saying that he would kill again within minutes and you can be sure that Roy Hodgson will be doing the same if he's allowed to carry on as England boss.

How many of us must have our lives shortened or ended by chronic stress before this diabolical w*nker of a man is stopped?

AN amazing 37,000 people gathered at Stonehenge for the summer solstice yesterday in a druid and pagan celebration of the longest day of the year.

F*ing hippie c***s.**

CHARLES FURY AT QUEEN MUM CASTLE BONGO FLICK PLANS

BONGO FURY: Charles is said to be livid over film plans

Prince vows: 'over my dead body'

By SIMON DEAN simon@sundaysport.co.uk

PRINCE Charles "hit the f*ing roof" when he learned that porn producers planned to rent the late Queen Mum's Highland retreat to make a royal-themed bongo movie.**

Courtiers cowered in terror when the irate heir to the throne, 65, exploded in fury after whispers reached him about the scheme.

Last week it was reported that the Castle of Mey, the only residence directly owned by the Queen Mother, was to be rented out at £50,000 a weekend to raise funds for the trust which looks after the historic pile.

Almost immediately, it emerged that high-end grotmakers were trying to circumvent the strict vetting procedures for guests and turn the Caithness castle into the set of a lavish porn movie.

When the Prince of Wales heard of the plans for his beloved grandmother's favourite home, he exploded in indignant rage, according to insiders.

One source told *Sunday Sport*: "The Prince of Wales is known as being a calm, reserved chap, who talks to plants.

"But when he gets one on him... WOWSER! We've rarely seen him so angry."

The Prince of Wales is still a regular visitor to the Castle of Mey, which holds fond memories of his grandmother, who died in 2002.

DEAD: Queen Mum

The 65-year-old Prince was extremely close to the gin-soaked gee-gees fan and sobbed like a little girl at her funeral.

True Blood star nips wife's nookie scenes in the bud!

***TRUE Blood* star Stephen Moyer has told how he urged a male actor to fondle his wife's NIPPLES!**

The Brit actor, 44, is married to co-star Anna Paquin, 31 – who's not been shy about baring all for nude scenes (*right*) in the popular Fox show.

For a recent episode, Moyer moved behind the camera to direct some key sequences – and one involved his missus getting scuttled by Alcide, played by Joe Manganiello.

Moyer revealed: "There are moments where I'll be watching on a monitor and say, 'Oh, Joe, just move your hand up towards Anna's breast. And can you move your right thumb just a little bit towards her nipple?'.

"And then I'll go, 'Babe, babe, enjoy it.' I'm certainly talking to her as 'babe.' 'Darling, go for it. Yeah, feel the nipple'."

CAPTION CONTEST

WIN £50

THIS WEEK

YOU really took the bull by the horns with your entries for last week's Caption Contest, folks.

But only one can be the most a-moo-sing and this week's it's **Michael Knight**, from King's Lynn.

He sent in: "Feeling horny? Wait until I start moo-ving."

A cheque for £50 will be on its way to Michael soon, but lots of others made us laugh too.

A R Hall, of Porthcawl: wrote: "I don't find your piss-taking very a-moo-sing, you cow."

Phil Chater, from Stourbridge sent in: "My boyfriend is hung like a bull and always leaves me with a tenderloin."

R W Heap, Blackpool: "That's not what I meant when I said, 'I want to meet a girl who's horny."

Kev Foster, Wigton: "If she's a bull then I can't wait to get into her ring."

Jean Fraser, from Manchester: "You're just telling me another cock 'n' bull story. Horns to you as well."

Madeleine King, of Doncaster: "Do you heifer to do that?"

Now it's YOUR turn to see if you can win a cool £50 with your wit.

Just come up with a caption for the pic on the left, fill in the coupon below and send it to our HQ at: Caption Contest, c/o *Sunday Sport*, Floor 3, Maclaren House, Lancastrian Office Centre, Talbot Road, Old Trafford, Manchester, M32 0FP.

Entries must be with us by Friday.

Best of luck, funsters!

STUDENTS TALK SEX!

EMILY JAMES
AGE: 19
FROM: York
STUDYING: Theology
UNIVERSITY: Chester
FAVE FOOD: Vegge lasagne
FAVE DRINK: Vodka, lime & lemonade
FAVE FILM: *Alive in Wonderland*
FAVE ACTOR: Jude Law

CLARE BAKER
AGE: 19
FROM: Kent
STUDYING: Philosophy
UNIVERSITY: Chester
FAVE FOOD: Pasta
FAVE DRINK: Red wine
FAVE FILM: *The Darjeeling*
FAVE ACTOR: Jason Schwartzmam

FIRST TIME
EMILY: When did you first have sex then?
CLARE: Mine was when I was on holiday in Cyprus with my mum and dad and one of my friends came with me.

We made friends with some of the guys who ran the watersports centre and I ended up shagging one of them on the beach one night.

It sounds romantic, but it wasn't really. We tried to do it on a big pile of sunbeds but kept falling off, so we went to the hut where they kept all the water-skis and did it there.

I was 17 and I was just glad to get it over with. It was okay, nothing to write home about.
EMILY: I was 17 when I lost mine, too. I wish I'd done it while I was on holiday like you did.

It was with a lad from school at a house party and loads of people were outside listening. I didn't know what to do and I was dead embarrassed.

It was pretty crap sex as well.

AL FRESCO
EMILY: Where is the wildest place you have had sex?
CLARE: Mine was when I was at college. We sneaked off to the woods when we were supposed to be in lessons.

We thought everyone would know what we'd been up to afterwards.
EMILY: The grass stains were probably a clue! I'd have to say mine was in a park.

I was walking home from a night out with my boyfriend and we couldn't wait to get home, so we sneaked into the undergrowth for a jump.

CAUGHT OUT
EMILY: You've caught me shagging, haven't you Clare?

Remember that time you just barged in one the morning while I was in bed with that guy and carried on chatting like nothing was happening?
CLARE: Yes, it was when we were in La Manga on holiday, wasn't it? It doesn't really matter if you're abroad though, you can just do what you want!

I'm lucky, I've never been walked in on. I'm a bit more careful than you!

OH NO!
CLARE: The most cringeworthy thing that ever happened to me in the bedroom was when I broke my boyfriend's banjo string.

I've honestly never seen so much blood in all my life.

It was everywhere.

At first he thought I'd started my period while we were having sex, but then we worked out it was coming from him.

He went to hospital where they put a dressing on it to help it heal then went for a check-up at the doctors, and I had to go and get checked over too. It was really embarrassing.
EMILY: I've never had that happen, thank goodness, but I have come on during sex, which I found pretty embarrassing.

It's just not what you need to happen when you're trying to be sexy, is it?

FAVE POSITION
CLARE: I like it from behind the most because you get deeper penetration and it feels really good.
EMILY: I like being on top. He gets a good show and you can be in control of the movement and speed.
CLARE: Yeah, I like being on top too, but doggy is my favourite. It makes me feel really naughty!

FANTASIES
EMILY: What's your naughtiest fantasy then?
CLARE: God, can't believe I'm admitting this, but mine is to have sex with one of my parent's friends.

There is this older guy that they hang round with and he's gorgeous. I'm always having bad thoughts about him!

I love the thought of being with a man and not a boy!
EMILY: Brilliant. Mine is to have sex with two guys at the same time and have them both being totally dedicated to pleasing me.

I think that would be a massive turn-on.

LESBO LOVIN'
EMILY: Have you ever done anything with another girl? I've had a bit of a snog before, but that's it.
CLARE: Yes, I've been there. I once had a threesome with my ex-boyfriend and my best friend.

It all happened when we'd had a few too many drinks but it was really good. It was a bit surreal seeing my man having sex with my best pal… but very hot too.

I thought that things might be a bit funny afterwards, but we all had a good laugh about it and everything was fine.

SEX TOYS
CLARE: Have you got any sex toys?
EMILY: Yes, I've got a bullet. It's a little vibrator and you use it when you have sex.

It's really powerful and certainly helps you on your way!
CLARE: I've not got one, but never say never! I quite fancy trying out a Rabbit!

WILLY SIZE
CLARE: I don't think it is important for a man to have a big one. If you like someone then you have better sex no matter what he's got in his pants.

You have the closeness and you care about each other, and what is important is you both having a good time.
EMILY: I agree. I think it's better being with someone you know because you know what works for each other.

Having a one-night stand just isn't as gratifying, even if he does have a massive one. I'd rather a nice man who is just average.

BLOWJOBS
CLARE: I don't mind giving head if I'm seeing someone. I think it's nice to please them. But if it's a one-night stand I won't because all I'll be bothered about is pleasing myself!
EMILY: I like giving them because the guy gets so much pleasure from it, but I agree that you don't give them on a one-night stand.

You want to share the pleasure if it's someone special.

DRESSING UP
CLARE: Do you ever dress up? I've got a sexy schoolgirl outfit that seems to get the boys going!
EMILY: Oh yes! They love that. I like sexy lingerie myself.

I love wearing nice underwear because it makes me feel more sexy and confident and the guy likes it too.

I think dressing up makes things more exciting and it's nice to make an effort.

BUM FUN
EMILY: Have you ever tried taking up the back passage?
CLARE: Yes. I've done it with a guy I've been in a relationship with and it's okay, but not something I'd want to do every night.
EMILY: I've tried it too. But, like you, it's only as a special treat if you're in a relationship!

HAVE a butcher's at this sight for sore eyes!

Not only is Katerina Smith going topless for the first time today – she's going without her KNICKERS, too!

The 21-year-old recently quit her job at a high street sandwich chain in order to make the plunge into glamour modelling.

Katerina said: "I've always wanted to do this and to get the opportunity now is amazing.

"I just hope *Sunday Sport* readers like me. Do you think they will?"

Oh, we think they'll gobble you up, Katerina!

LONG HOT SUMMER LOVIN'

Charley Atwell

Age 27, 34E-25-35, from Romford, Essex

By JUSTIN DUNN
justin@sundaysport.co.uk

SULTRY stunna Charley Atwell loves the sun so much she once ended up bonking in a beer garden!

The 34G babe confessed that she always gets more adventurous after a few drinks, so every summer is packed with loving!

Charley, 27, from Romford, Essex, said: "Once with my ex-boyfriend, we had sex outside a pub, in the beer garden.

"But the next day, we found out his friend had been watching us at it.

"He thought it was hilarious!

"Everyone had been out there, drinking all day, and once it got a bit cooler and darker they all went inside the pub.

"So we sneaked out and got down to it!"

Charley says the hottest month of the year for her would be July.

She added: "I love it when we get a good summer – and this one is proving to be a right scorcher so far!"

Dear Jaymie,

I LOVE my girlfriend but I have to say she's a really dirty mare.

I'm always catching her round the back of the pub getting it up against a wall, or in the back of a car from a stranger.

She says she can't help it because she's always been a nympho.

There's a plus side to it, though, because I'm almost constantly on the job.

But things went too far the other night when she got chatting to three truck drivers.

She said she was going to shag all three in the back of a lorry and, if I was worried, I could watch.

So I did – as the truckers took turns to f*** her in every hole.

Can I save our relationship?

WK, West Yorks

Jaymie says...

IF I were you, I'd tell her to truck off!

Dear Jaymie,

MY missus has a thing about her belly button which she told me about on our wedding night more then 30 years ago.

She likes me to lick around it and wiggle my little finger in it while I'm tickling her clit or licking her out.

I've always been happy to do this but recently I've found it difficult to co-ordinate my belly-button and pussy combination.

The other night I was lapping away at her fanny and when I reached up to her stomach and started tickling, I just couldn't get my tongue to keep probing her clit.

Suddenly she stopped me and asked if I'd been shagging someone else.

I tried to explain and thought she'd be understanding but she seems to think that I'm losing interest in her.

Now she sulks if I don't service her how I used to and I don't know what to do.

GW, North Wales

Jaymie says...

SIT down and talk to her. If she knows how much you want to please her you should be able to find a happy compromise.

Dear Jaymie,

I'M 37 and married with four kids. Me and the missus have a great sex life but I've been keeping a secret from her – I'm a transvestite.

A couple of weeks ago I'd put the kids to bed after she went for a night out with her pals.

I couldn't resist the temptation and I started to put on her clothes.

But her sister came home early with a headache and walked in on me.

Although I told her I was just trying them on for a fancy dress party I'm sure she sussed me.

Now I'm scared she'll tell the wife.

Got any suggestions?

TW, Cheshire

Jaymie says...

YES, tell her yourself. Many wives are turned on by this sort of thing.

AGONY WITH Jaymie Feather

Age 28, 30D-22-30, from Bradford

I fear I am turning after pal's toss job

Dear Jaymie,

I WAS out with my mate and we ended up pulling a couple of middle-aged women and took them to a hotel.

My pal's a right cocky type, and he lied he was a doctor and he'd have to examine them both before we boned them.

As they lay on the bed he pulled a soppy thong from the blonde's moist crack and slipped a couple of fingers in.

She moaned and as he was frigging her off he pulled aside the brunette's pants and did the same to her.

I then pulled their slinky tops off and began sucking on their droopy boobs.

My mate by then was knuckle-deep into them, rocking back and forth.

My knob was almost bursting out of my kecks when one of the the women took it out and slurped greedily on it.

By that time I was ready to jizz but without warning my pal took hold of my cock.

He tossed me to completion across the bints' mouths while they lapped my mess from each others' lips.

He then asked me to do the same for him and I did – even though I felt uncomfortable.

Thing is, since then I've been wondering if I'm turning gay because truth is, I did enjoy it.

What would you say?

DW, Herts

Jaymie says...

I DON'T think so. All you did was toss another man off. It's not as if you bummed him, is it?

Dear Jaymie,

ME and my hubby moved to a new area and I wanted to make a good impression with my neighbours.

So I was thrilled when I was invited to one of the houses for a women's-only evening.

I wasn't sure what to expect but I went round with a couple of bottles of wine.

There were about 10 of us and after a few drinks the lights went down and music started.

Suddenly a bloke burst in dressed as a policeman and started to strip.

Several women grabbed his giant tool and after a while one bent over, lowered her knickers and allowed the stripper to slide into her.

He gave her a few strokes and then pulled out and approached another woman, who wanked him off between her breasts.

A third dropped her panties and he screwed her, too.

It was shocking, but at the same time I felt really horny and keen to have that huge member in me as well.

Now I'm wondering if next time I should join in? None of the husbands seems to know what's going on.

What do you think?

TD, Devon

Jaymie says...

IF you fancy a bit, what harm can it do?

Dear Jaymie,

I'M a 20-year-old student and I've just got a part-time job behind the bar at my local after finishing my exams.

The landlady is 43 with long dark hair and massive jugs and is very horny. She's also very fit for her age.

After my first night she offered me a drink after everyone else had gone and it wasn't long before we were kissing.

Then she started to suck my rock-hard knob.

I was just about to come when she wrapped her tits around my cock and wanked me until I shot all over them.

Since then I've had her every night I've worked.

We've done it on the bar, on the pool table and in the cellar.

But my girlfriend has found out and has said she'll leave me if I don't end it.

I'm gutted because I want them both. What should I do?

FE, West Yorks

Jaymie says...

IF you love your girlfriend, stay with her.

Dear Jaymie,

THE other day I was walking in the park and I noticed a young couple snogging.

I hid behind a tree to watch and the girl slipped out of her dress and bent over.

The fella got his nose in there and started slurping on her pussy. Then he stood up and rammed it home and they went at hammer and tongs.

Needless to say I was wanking like a good 'un thoughout all this horny scene, until I noticed an old granny watching me from a bench and and frigging herself off.

The sight of it has put me off sex for life.

Can you help?

TR, Hants

Jaymie says...

TRY to see the funny side of it, that's pretty much all you can do.

SEX CONFIDENTIAL

IT'S ADULT GAMES TIME AT THE ALL-NIGHT CASINO...

Woh! Hang on, madam, that's casino property you're touching there!
How come I never get the rich nymphos on *my* table?
Bah!
Ooh la la! You've got even bigger balls than your pal! Mind if I Texas hold 'em?
Nggghhhhh! I'm about to reveal my hand!
What do I get for a pair of Aces?

Jaymie says...

THERE were warnings that this is EXACTLY what a relaxation of gaming laws would lead to – a Wild West-style orgy of depravity in our casinos.

We all like a flutter, but gambling can make passions run high and may lead to the loss of inhibitions and a breakdown in decorum.

And, let's face it, a scuttle on the floor of the casino is not a thing to be desired. The carpets are usually grubby and you could get trampled by a crush of Chinamen heading for the roulette table.

WARNING: DO NOT PUT YOUR WILLY IN A BEAR'S MOUTH!

By BRAD CHADWICK news@sundaysport.co.uk

EXPERTS have issued an extraordinary warning to hikers across Europe this summer – don't try and get a BLOWJOB off a bear!

This astonishing call was made after two male beasts, whose behaviour was studied over a five-year period in Croatia, had been observed fellating each other.

The pair of brown bears were born in the wild, but were both orphaned as cubs and now live at a sanctuary.

And the kinky ursines were seen repeatedly engaging in "vigorous penile sucking" between 2008 and 2013.

In a paper published in *Zoo Biology*, the researchers "counted 28 acts of fellatio between the two male bears in 116 hours of observation, nine acts occurred in various bushes that were abundant in the enclosure, two in the open central area and 17 at three spots along the fence."

The researchers go on to provide a detailed breakdown of how the bear fellatio played out: "After accessing and initial licking of the penis, the provider would find a more comfortable posture."

But Grant Bossey, from the University of West Lancashire, warned humans not to join in.

He said: "Make no mistake, even a small bear could bite your bellend off in a trice.

"And then it would probably eat you, just for good measure."

STEVE LILLIS' KNOCKOUT BOXING COLUMN

I'm moving up in the world!

CHANGING MAN: Burns *(left)* lost his WBO crown to Crawford in March

BURNS SAYS GOING SOUTH WILL INSPIRE HIM TO HIS THIRD TITLE

RICKY BURNS hopes moving to England will inspire him to his third world title.

The Scot shifted his training base south of the border to Essex after losing his WBO lightweight title to Terence Crawford in March.

Burns has struggled to find top form recently and decided one of the answers was to ditch trainer Billy Nelson and join Cockney Tony Sims, a decision that surprised many.

He returns in Glasgow on Saturday when he meets Dejan Zlaticanin *(below)* in a eliminator to face WBC champion Omar Figueroa.

Nelson did a top job with Burns, directing him to world super-featherweight glory, but the boxer insists he will benefit from the surprising switch.

The 31-year-old said: "I had some great nights over the years, but I felt after the Crawford fight that it was time for a change and I have definitely got a new lease of life down in Essex.

I fly down on a Monday and work solidly until Friday in the gym and hitting the road, then fly home on a Friday evening.

"Of course it's tough being away from home, but it makes you work harder and gives you something to look forward to."

Montenegro's Zlaticanin has won all 18 fights,but will taking a big step up against Burns, who has contested 16 major championship contests.

"There are some huge fights out there for me," Burns added. "My last 10 fights have been for world titles. I am at home in the elite, so I want to get back there as soon as possible.

"Zlaticanin is unbeaten and will have ambitions of his own, but I want my next fight to be for a world title and I have to put on a great show to earn that."

On the same bill at Braehead Arena, former England Under-21 footballer Curtis Woodhouse defends his British light-welterweight crown against Willie Limond, who risks his Commonwealth belt.

Upsets

Woodhouse caused one the biggest upsets of the year in February when he grabbed the Lonsdale belt from Darren Hamilton.

Limond confessed: "I can't afford any slip-ups.

"I'm 35 and I know if this doesn't go my way it could be the end of it and I don't feel ready to retire yet – I want to keep this going."

KUB TO CLUB KLITSCH

KUBRAT PULEV insists he'll finally end the Klitschko dynasty at the top of the heavyweight division.

The unbeaten Bulgarian challenges for Wladimir's IBF, WBA and WBO belts in Hamburg on September 6.

He said: "I am ready to replace Wladimir as the world champion. This fight is the highlight of my career. I will show fans worldwide that Klitschko is no invincible machine and fulfil my dream. I have worked hard for this chance."

Klitschko *(right)* has been world champion since 2006 and is second to the legendary Joe Louis as the longest lasting champion in the history of heavyweight boxing.

SAM SLAM: Robson's ton leaves Angelo Mathews *(inset)* in a pickle

Robson is Sam-thing special for Cook 'n co

England v Sri Lanka

Second Test @ Headingley – Day two

SAM ROBSON celebrated a maiden Test century in just his third innings as he helped put England in control of the second Test.

The 24-year-old opener had a tough debut in the draw at Lord's, scoring one and 19.

But he put that behind him with an innings characterised by concentration and control on day two at Headingley.

He brought up his century in the second over after tea, taking 220 balls and hitting 11 fours along the way.

At that point, England were cruising at 221 for two, with Gary Ballance proving an able deputy for Robson.

The pair put on a stand of 142 before Ballance finally went for 74, giving more than a tantalising glimpse of England's future.

Ian Bell also shone on another good day for England, making 64 before being caught by Dinesh Chandimal off the bowling of Shaminda Eranga.

Captain Alastair Cook's lean run of form had earlier continued with another worrying early dismissal for 17.

DECENT KNOCK: Ian Bell

Grind

He got no further than the fourth over of the morning, and added just three runs to his overnight score, before a prod forward resulted in an edge low to slip off Dhammika Prasad.

Robson and Ballance then took over in a no-frills alliance with a traditional Test match tempo – and the relative slow grind served England's purpose ideally.

Robson passed his maiden 50 before lunch, from 102 balls, and Ballance had faced 14 more when he reached the landmark in mid-afternoon with another cut for his seventh four, off Nuwan Pradeep.

Ballance was saved by DRS on 31, while Robson might also have gone lbw on 78, to Prasad, had the bowler appealed when his yorker hit the batsman on the pad before the bat.

The partnership therefore remained intact until Sri Lanka captain Angelo Mathews struck with his ninth delivery.

Ballance was starting to threaten a second successive century when the medium-pacer had him caught behind.

Robson eventually went for 127, clean bowled by Pradeep.

Bell's 64 was the only other highlight of the day, before England suffered a mini-collapse towards the end of the day.

Joe Root only made 13 runs and Moeen Ali two before they were sent back to the dressing room, leaving England on 320-6, a lead of 63.

JOIN ME AT HOVE

I'M leaving the office and getting about on a grand tour of our fabulous greyhound stadiums, this morning I will be at Hove. It's a long way from our Lancashire base but a day at Hove is well worth the visit. If you can't get there don't worry it's live on BAGS/SIS in all bookies' shops but if your at the track come and say hello.

An ultra-competitive graded card for us to pit our wits against the bookies with. I like the look of Rizzoli Brutus (12.58) in the D2 contest, he's been running in D1 company without disgracing himself, interestingly he's only ran in D2 once and he ran out a comfortable winner. Let's hope he can make it two from two in this grade.

GEMMA BYFORD

Greyhound racing is extremely lucky to be packed with brilliant people and there are none nicer than Gemma who is super talented. She is currently the assistant trainer to Norah McEllistrim attached to Hove. I turned to Gemma with the task of 'Come on Gemma give myself and the readers a winner': "Our best chances would be Princess Jetta T3 12.27 and Sizzlers Magpie T5 12.58."

HENLOW RPGTV TONIGHT

Some nice opens tonight live on RPGTV at Henlow.

I like the look of Up To It (21.00) he ran a cracker last week on the back of an eye catching Derby campaign. I see no reason why George Andreas can not be on the podium with this talented son of Head Bound once again tonight.

Tanyatime (21.15) excels over this 692m trip and stepped back up from 550m will make all the difference, she's only hitting top gear around that time. Quite a few of these are doubtful or unconfirmed stayers so I expect her to pounce late to grab us the victory.

NEW ZEALAND 36 ENGLAND 13

Stu fury over shock collapse

ENGLAND head coach Stuart Lancaster admitted he was forced to read his under-performing team the riot act at half-time of their third Test rout by New Zealand.

The All Blacks amassed a 29-6 interval lead after exploiting a passive defence, with Julian Savea and Aaron Smith plundering two tries each.

Disaster beckoned in the second half of the climax to the series at the Waikato Stadium, but an improved England responded with a try from Marland Yarde *(below)*.

"We had some pretty sharp words at half-time," said Lancaster.

"We showed a lot more urgency and intensity in the second half and that was reflected in the performance.

"There's two or three opportunities that we missed and we scored the try."

Narrow losses in Auckland and Dunedin had already placed the series beyond reach, leaving England with the goal of salvaging some pride from the final Test.

Disappointed

Instead, they were blown away as the All Blacks registered a record-equalling 17th successive victory.

"We fought hard for two Tests and fought hard in the second half of the third, but we are behind them in all areas at the moment," admitted Lancaster.

"For us to win at this level we need to be better and we know that.

"The objective ultimately was to come and win the series and we haven't achieved that, so in that regard we are hugely disappointed.

"But we've shown enough to demonstrate we are a young team on the up and we have a lot of growth still in us."

England's feeble tackling in the first half was punished by the brilliant All Blacks, who should have scored at least two more tries.

Kyle Eastmond repeatedly waved New Zealand's midfield through and was replaced by Luther Burrell at half-time.

ALL SMILES: Murray and Mauresmo

MAUR FUN IS ANDY'S RECIPE TO KEEP TITLE

TENNIS

ANDY MURRAY reckons girl power can help him successfully defend his Wimbledon crown.

The Scot begins his bid for back-to-back men's singles titles tomorrow on Centre Court against Belgian David Goffin.

The champion is seeded third – and a date with Novak Djokovic, who he beat at Wimbledon last year, could await in the semis.

Murray's preparations were dealt a blow when he crashed out in the early stages at Queen's, following on from his French Open semi-final drubbing by Rafael Nadal.

All eyes will be on his partnership with former Wimbledon and Australian Open champion Amelie Mauresmo, who he named as his new coach to replace Ivan Lendl earlier this month.

Emotions

"It's been a good start," said Murray. "I've enjoyed spending time on court with her. The sessions are hard work but good fun."

And he insists his will to win is now back in full flow and he is gunning for a third Grand Slam title.

"If you've done it once there's no reason why you can't do it again," said Murray.

"If I can play like I did last year I'll definitely be in with a chance.

"The few months after Wimbledon last year I found it difficult to motivate myself.

"But then you remember what it feels like to win Wimbledon, you know how all the work you put in was worth it and the feeling and emotions you get when you win a tournament like this.

"It'd be strange not to want to do that again and I hope I can put myself in a position to do that during the championships.

OPPONENT: Goffin

Nerves

"I don't know how I'm going to handle it. I'd expect to feel pride and some nerves."

Top seed Djokovic begins against Andrey Golubev, while Nadal faces Martin Klizan and Roger Federer meets Paolo Lorenzi.

Women's top seed Serena Williams opens against Anna Tatishvili and French Open champion Maria Sharapova faces British wildcard Samantha Murray.

MASSA IS SON-SATIONAL

FORMULA ONE

Austrian GP – Today, 1pm, BBC1

FELIPE MASSA proved that fairytales do still happen, as the driver who almost lost his life five years ago is back on pole position for the first time since 2008.

It was a highly emotional moment for Massa *(right)* at the Red Bull Ring, as it was the first time his four-and-a-half-year-old son Felipinho had watched his dad take top spot on the grid.

Felipinho was born six months after Massa's horrific crash in qualifying for the Hungarian Grand Prix in 2009 when he suffered a fractured skull after being struck on the helmet by a spring that came off the car of fellow Brazilian Rubens Barrichello.

Massa required life-saving surgery and a titanium plate inserted into his skull – and he has never seemed the same driver since.

But his move from Ferrari to Williams has reinvigorated Massa and he cashed in on Lewis Hamilton's double dose of mistake misery to spearhead a Williams front-row lockout, the team's first since the 2003 German Grand Prix.

"It was a great moment," said Massa. "My son has never seen me in first place. This is the first time and, for sure, he is part of my motivation."

Hamilton was on course to comfortably claim pole when he made an error on entry to turn eight and was forced to take to the run-off area.

On his second hot lap, and again fastest in the first sector, the 29-year-old spun on the approach to turn two.

Hamilton, who will start from ninth, said: "They were just two not very good laps."

BIG SAM ORDERS CARROLL TO HAMMER LOTS OF GOALS

SAM ALLARDYCE wants Andy Carroll to prove he is the answer to England's scoring problems with a flurry of West Ham goals.

The big hitman *(above)* played for the Three Lions in the Euro 2012 finals, but was left out of Roy Hodgson's World Cup party.

A heel injury that took months to clear up was a big factor in the 25-year-old being left behind.

But Hammers boss Allardyce is now challenging the fully-fit Carroll to remind everyone what they have been missing in Brazil.

"It will have hurt Andy not being out in Brazil," said Big Sam. "And if he has any burning ambition – both at club level and internationally to get to the European Championship in 2016 – he'll use this experience to go forwards.

By JON WEST

Place

"What he needs to do now is to establish himself as a high-quality Premier League striker and to give me 30-plus games and 12-15 goals minimum next season.

"There is a place for him in the England squad. There is no other player like him."

Allardyce also wants Carroll firing on all cylinders to ensure West Ham improve on last season's 13th place finish.

"For both the seasons we have had Andy it has not been fantastic, and he needs to change that.

"He got the injury and then we had the misdiagnosis on it and that meant a long spell out.

"When he first came we saw the best of him with a good run of goals in the last few matches.

"Now we want that consistently."

SURVIVAL IZZ ON FOR FOXES

LEICESTER legend Muzzy Izzet has backed his old club to stay in the Premier League.

The Foxes face a nightmare start with games against Everton, Chelsea, Arsenal and Man United in their first five matches.

Izzet said: "I think it will be tough for Leicester and they know it will be tough.

"We will be a bit of a surprise package and will take a few teams by surprise.

"But teams will come to Leicester and think they can win the game.

"It will be tough but I think they can stay up."

RAMIRES EYES A REAL DEAL

CHELSEA are getting ready to fight off Real Madrid over £25million-rated midfielder Ramires.

Bernabeu coach Carlo Ancelotti – the man who brought the Brazilian to Stamford Bridge – wants a reunion.

The Italian has told his Real bosses to go all out and land the 27-year-old, who is at the peak of his powers.

But Jose Mourinho has told the Chelsea hierarchy to hold on to Ramires at all costs.

The player fancies a move to the Champions League holders and a deal could be done within days of the World Cup ending.

BITTER RIVALS FEAR DISASTER

SUNDERLAND and Newcastle are seeking urgent talks with the authorities to avoid heading into Tyne-Wear derby action just 24 hours after the notorious 'black eye Friday'.

The bitter rivals are due to meet on the weekend of December 20-21 – the busiest pre-Christmas shopping days of the year.

And the clubs fear it's a recipe for disaster given the game's powderkeg reputation.

A Newcastle fan punched a police horse after last year's 3-0 derby humiliation and each high-octane meeting normally ends in dozens of arrests.

Threesy does it for Antonio to stay at United

ECU WARRIOR: Valencia can't wait to play for Van Gaal *(inset)*

ANTONIO VALENCIA has signed a new three-year contract at Manchester United.

By JASON MELLOR

The deal also has an option to extend the 28-year-old Ecuador winger's stay at Old Trafford until June 2018.

Valencia, who is on World Cup duty in Brazil with his country, said: "My time at Manchester United has been like a dream come true.

"To be the first Ecuadorian player to win the English Premier League was a very proud moment for me and for my country."

Valencia joined United from Wigan in 2009 and has made 191 appearances, lifting two Premier League titles and the League Cup and scoring 21 goals.

He added: "I am so happy to have signed a new deal and I am looking forward to working with Louis van Gaal. There is great team spirit within the club and we are all determined to get back to winning ways."

Ander Herrera is making United and Chelsea sweat in the £35million race to land the midfielder.

The Athletic Bilbao star *(left)* insists he's in no hurry to move on as the Premier League rivals tussle for his £125,000-a-week signature.

United were left red-faced last season after a mix-up over the 24-year-old's buy-out clause saw them fail to land one of their main targets under the doomed David Moyes.

Van Gaal is set to revive that interest after the World Cup.

But the player's agent, Arturo Canales, insisted: "Ander's focus is on Athletic. He's excited to play in the Champions League with them."

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

World Cup breaking news... England still crap!

THE inevitable "where do England go from here?" debate wasn't really supposed to happen quite so soon. But with Roy Hodgson still experimenting with his starting XI in the first two group games, it seems all of our timings have gone to cock this World Cup.

The fact that it's been one of the best tournaments ever for the amount and quality of goals probably softened us up a bit.

Fans and media alike were happy to take defeat to Italy given the really encouraging attacking performance.

But worries at the back were there for all to see – and they were brutally exposed by Luis Suarez, the name on everyone's lips the second we were drawn to play Uruguay.

Who do you blame? Hodgson? Gerrard? Rooney? Maybe we should blame Paul Dummett for not kicking Suarez hard enough. It's not as if we were unaware of the threat he posed.

If there is a culture change going on in the game that will finally produce an England team capable of doing themselves justice in a World Cup finals, it's a very long way away.

We're in danger of following the likes of Scotland, Northern Ireland and the Republic of Ireland into the international football wilderness after being regulars at tournament finals.

Our performances at the last three World Cups do nothing to change that view.

AND I THOUGHT GLT WOULD END THE CONFUSION

I LOVED the big goal-line technology meltdown from BBC commentators.

I can't stand Jonathan Pearce so I opted for the Five Live commentary instead – only for Conor McNamara and Pat Nevin to do just as bad a job of reporting the ball that hit the inside of the post wasn't a goal, and the one the keeper pushed over the line, was.

Watching the Pearce-commentated highlights later, you had to laugh at how Martin Keown sussed it immediately, while Pearce went into meltdown and was still insisting: "The computer changed its mind!" after the third goal went in.

Apparently FIFA are looking into better ways of displaying the GLT results on the big screens. How about this...

MY favourite tweet so far this tournament is the reaction to the Adrian Chiles selfie: "You've got a face like a dropped pie."

Van Gaal has a bit Moy luck!

THAT fantastic day when next season's fixtures are revealed has gone almost unnoticed.

Isn't it funny, though, how this time last year, David Moyes was convinced he'd been stitched up by a tricky start, whereas new United boss Louis van Gaal has a mixture of last season's relegation fodder and the three promoted clubs to tackle in the opening few weeks?

Typical, eh Moyesie?

AFTER losing their first two matches the England players are going to be asked a lot of searching questions.

The first one being: "Did you pack these bags yourself?"

Another tournament and another depressing end for the Three Lions.

They are becoming more predictable than an Alan Shearer post-match analysis.

Apparently Roy Hodgson told the team before the Uruguay game to "play like you've never played before".

Unfortunately, the players took him a bit too literally.

Steven Gerrard had an absolute shocker.

But at least the captain can say he's done the Double – he single-handedly ruined Liverpool AND England's chance of success this season

Watching England is more and more like going to the toilet – you're unsure what exactly is going to happen but in the end it'll definitely be shit.

Though, on the plus side, the country has been waiting a long time for England to start playing like Spain.

Also, for anyone who bought a new England shirt, you'll still be covered by the 14-day return guarantee. The oddest thing about the two defeats is that people are actually acting surprised.

Let's face it, England's chances of winning the World Cup were about as likely as Phil Neville being asked to record the *50 Shades of Grey* audio book.

England still have another game against the Costa Ricans.

After the first two games, I wouldn't fancy England's chances against Costa Coffee, never mind Costa Rica.

I reckon Woy's boys will come home with a third straight defeat to mull over.

SHOCKER: Gerrard

Del boy's set to remain as Spain's Bos

SPAIN boss Vicente del Bosque isn't likely to leave his job despite his country's World Cup flop.

The reigning world champions crashed out in Brazil after just two games, with poor performances against Holland and Chile.

But the former Real Madrid coach, 63, is set to stay in his post.

Director of football Jorge Perez said: "From top to bottom in the Federation we are all behind Del Bosque.

"If we have the best coach around, why would we change?

Drastic

"When Del Bosque signed the contract he said that if there was any motivation that we thought he shouldn't continue, he would leave.

"But I want him to stay. He won't be affected by the criticism.

"His family might convince him to leave, but we aren't going to find anyone better.

"Del Bosque has not resigned. If he does, we will try to convince him to stay."

And Del Bosque said he will not take drastic action if he stays in charge of Spain.

He insisted: "When something negative comes out of such an important competition then of course there are consequences.

"I don't want to go into an analysis right now – there will be plenty of time for that.

"We have players and a federation who are very consolidated – we are not falling apart.

"We will take the time to do what is best for Spanish football – and I include myself there.

Inferior

"We must not make snap decisions on the basis of what has happened here.

"We played two games and were not able to overcome our rivals – Holland and Chile were better on the day.

"We came here in good shape and the problem would be which were the best eleven players to field. But things did not turn out as we expected.

"But we mustn't make excuses. We are out, we were inferior and we must look to the future."

Spain's final game is a dead rubber against Australia tomorrow.

JURGEN'S EUPHORIC

WORLD Cup winner Jurgen Klinsmann says he's in dreamland as he plots a possible route into the last 16 for the United States.

America's last-gasp win over Ghana, coupled with Portugal's hammering by Germany, has opened the door for Klinsmann's side to get through the "Group of Death".

Manaus tomorrow night may well be enough to reach the knockout stages, and Klinsmann confessed: "That's what the World Cup is about.

"We have a chance with a win to hopefully qualify and it can't get any better."

Portugal will be without Fabio Coentrao, Hugo Almeida and the suspended Pepe, but the former Tottenham striker knows Cristiano Ronaldo's team-mates will be a wounded animal.

"This is our goal and we believe we can go to Manaus and win," added the US coach *(left)*.

"We want to get into the next round, so if it takes beating Portugal to do that, that's what we have to do."

PELE BEGS FANS TO TAKE IT EASY ON NEYMAR

TOO MUCH PRESSURE: Pele *(inset)* says supporters have heaped huge expectations on Neymar

THREE-TIME World Cup winner Pele has told fans to lay off fellow-Brazilian Neymar.

The Barcelona forward set the world alight in the first match against Croatia, but flopped in the second against Mexico.

And one of the greatest players that has ever lived wants supporters to give him a break.

Pele said: "It's a little bit different, but almost the same because he's the big star of the current Brazilian team, but in 1958 I was 17 years old, while Neymar is now 22 and playing in Europe.

"I think there is too much pressure on him because everybody expects Neymar to win the World Cup for Brazil. But you win the World Cup as a team, not as a player.

"He's a good player, but it's too big of a responsibility to expect him to win the World Cup on his own."

But England great Alan Shearer reckons there is deserved expectation on the Federations Cup winner – and thinks that non-scoring striker Fred is to blame instead.

He said: "It is clear that Neymar is a great player, but he will need to be the ace of this World Cup.

"There is not much difference from Lionel Messi. In this tournament those players have the chance to immortalise their status.

GROUP A

Surprised

"Fred is pulling the team down and I'm surprised that he has played in two games as a starter for Brazil.

"He does not move, does not help the team and Brazil seems to be playing with 10 men all the time.

"He may not be the centre forward of a Brazilian national team in a World Cup."

Brazil must pick up at least a point against Cameroon tomorrow to guarantee a place in the knockout stages.

Diego's slim hope for Argies

DIEGO MARADONA fears Argentina only have a slight chance of winning the World Cup – because of Germany's skinny superstar.

Argentina legend Maradona watched Germany demolish Portugal on Monday with Thomas Muller scoring a hat-trick.

Maradona said: "He is 'El Flaco' – the Skinny One. He has no muscles, but he tore Portugal apart."

Maradona, 53, who won the World Cup in 1986 was impressed by how Joachim Low's Germany handled the threat of Ronaldo and company.

He said: "Germany played perfectly. They were not afraid in the face of physical strength.

"Portugal looked very small, they looked like they didn't have a plan.

"Germany play with a lot of intelligence."

Kalou: Dutch can Coast to victory

IVORY COAST striker Salomon Kalou reckons the Netherlands are favourites for the World Cup on the back of their blistering start in Brazil.

Louis van Gaal's men followed up their 5-1 demolition of reigning champions Spain with a 3-2 win over Australia to book their place in the last 16.

And ex-Chelsea ace Kalou says they are now the side to beat.

"Netherlands are the favourites to win the World Cup," the 28-year-old said.

"Arjen Robben is doing fantastic, Robin van Persie is doing fantastic. So they are the favourites."

The Elephants still have a chance of reaching the knockout phase despite their defeat to Colombia.

Kalou added: "This loss is not a blow to us. We still have one game to go.

"I am confident that we will win against Greece and qualify."

GROUP H: Sunday, 8pm – ITV

BOLTON midfielder Chung-Yong Lee is still backing South Korea to reach the knockout stages.

Lee *(below)* was one of the Taeguk Warriors' top performers in their draw with Russia.

And the 25-year-old is optimistic they can beat outsiders Algeria tonight.

Lee said: "We think we can progress beyond the group stages and after that, we will see what happens."

Fellaini finds feet in finals

OLD TRAFFORD misfit Marouane Fellaini is out to prove Manchester United wrong again by marching on in the World Cup.

Fellaini failed to score for United last season following his £27million move from Everton and may be shipped out over the summer.

But the big Belgian found the net after coming off the bench to head the equaliser for his country in their Group H win over Algeria.

And the 26-year-old insisted he has never lost faith in his ability.

"I always believe in myself," said Fellaini. "One thing I know is that if my team-mates put crosses in the box for me, I can score.

"Scoring at a World Cup was a great moment and I immediately thought about my family, who always supported me. Everything they did for me led to that moment."

Belgium v Russia

GROUP H: Sunday, 5pm – BBC1

Standing in Fellaini's way today could be Igor Akinfeev – despite the goalkeeper's nightmare in Russia's 1-1 draw with South Korea.

Akinfeev gifted Korea the lead, but Fabio Capello looks set to stick with him.

"You can accept a mistake from a great keeper like Akinfeev," said the former England boss. "I'm very happy with Akinfeev."

MURRAY THE MANATEE

AFTER a couple of quite disastrous predictions, Murray managed to escape being put down by using a series of squeaks and grunts to get the message across to his handlers that he'll guarantee to win them their money back.

To that end, the lazy, good-for-nothing psychic sea sloth thinks Portugal will get up and running with a win over USA tonight.

CHANCE TO IMPRESS: Smalling

SMALLING AND SHAW GET COSTA FORTUNE

By JON WEST

PHIL JAGIELKA and Leighton Baines will carry the can for England's shock World Cup exit.

The Everton defensive duo will be dropped for Tuesday's dead rubber with Costa Rica.

Manchester United's Chris Smalling is set to replace Jagielka at centre-back and Southampton teenager Luke Shaw comes in for Baines *(below)* at left-back.

Midfielders Adam Lallana and Ross Barkley are also in line to start as boss Roy Hodgson tries to save face.

Jagielka was at fault for Uruguay's opener in Thursday's 2-1 defeat – the result that put England on the brink of elimination, which was confirmed when Costa Rica then beat Italy.

He failed to pick up Luis Suarez, who headed in the first of his two goals that broke English hearts.

Steven Gerrard and Gary Cahill both blundered for the second one but they will keep their places, with Danny Welbeck making way for Lallana and Jordan Henderson dropping out to give Barkley a chance to show what he can do.

England had problems down the left side in their opening 2-1 defeat by Italy.

That was partly because Wayne Rooney was being played out of position there, but also because Baines was struggling.

Hodgson left cap centurion Ashley Cole at home and Baines, though good going forward, proved to be a weak link defensively.

Shaw, 18, is being touted as the Ashley Cole of the future and could soon be a Manchester United player.

And with nothing at stake, Hodgson is prepared to give him a go against the Costa Ricans.

The match will be Gerrard's last in an England shirt.

The 34-year-old knows his time is up at the highest level and will concentrate on one more season at the top with Liverpool in the Champions League.

That means Rooney will inherit the captain's armband permanently, especially as veteran midfielder Frank Lampard will be retiring too.

The former Chelsea man will be hoping for a little game time as an international send-off before he begins a club swansong in the US.

POINTING THE WAY FORWARD: Roy Hodgson has been urged to stick by bright young talents like Raheem Sterling

I'M SO SORRY: Wayne Rooney apologised to England fans

EX-BOSS TAYLOR INSISTS

FORMER England boss Graham Taylor has urged Roy Hodgson not to give up on his young flops.

By FRANK McCAULEY

The Three Lions' fate was sealed on Friday night when Italy were beaten 1-0 by Costa Rica, meaning Hodgson's men can no longer qualify for the knockout stages.

Although they were drawn in a tough group, few expected England to be out so early and the post mortems are already well under way.

The spotlight inevitably has fallen on Hodgson's team selection and tactics, with the 66-year-old opting for a youthful attacking line-up that promised much but ultimately failed to deliver when it mattered.

Hodgson's 23-man squad included Raheem Sterling, Luke Shaw, Ross Barkley, Alex Oxlade-Chamberlain and Daniel Sturridge.

But while the decision to give the youngsters their chance may not have reaped any rewards this time, Taylor reckons Hodgson should keep the faith.

Mistakes

"We wanted to see the young players and there's hope amongst that, no doubt about it," said Taylor.

"I honestly believe that the media, in terms of Roy giving these youngsters a chance, were behind that.

"And I just hope that we stick at it and let the

young players develop on the international scene.

"I think there is some future for England here in the young players that we've seen."

But Taylor, who was in charge of the national team between 1990 and 1993, does believe England need to address the defensive problems that seriously undermined their Brazil challenge this time.

"Mistakes were made and you pay for it at this level," he added.

"It's alright talking about young players, but you've got to have some strength at the back and you've got to be able to make sure you're not going to give away silly goals."

Wayne Rooney finally got his first goal at a World Cup finals when he equalised against Uruguay to briefly give England hope – but it wasn't enough to avoid the inevitable.

And the Man United striker has apologised to shocked fans for his side's humiliating exit.

Rooney admitted he was "absolutely devastated" by England's failure in Brazil.

And he posted on his Facebook page: "Absolutely devastated to be out of the World Cup.

Gutted

"Going into each game we had great belief in ourselves but unfortunately it hasn't worked out.

"Sorry to all the fans that travelled and at home that we haven't done better... gutted!"

Surprise group leaders Costa Rica are next up on Tuesday, when Rooney and co will be looking to salvage some pride.

But Christian Bolanos says he's keen to inflict more misery on Roy's boys.

The Copenhagen winger said: "It's written in the stars.

"This squad has been doing great things for a while now and playing in Brazil feels like being at home.

"We've already made history. Now we can do even greater things."

EUAN PROPS UP BOK BASH

By JAKE KING

BRITISH LIONS prop Euan Murray leads a trio of Glasgow Warriors forwards joining Scotland's summer tour, ahead of Saturday's South Africa clash.

Former Northampton and Worcester front-rower Murray is joined by uncapped flankers Tyrone Holmes and Adam Ashe in jetting out for next weekend's Port Elizabeth showdown, Scotland's final tour match.

Murray has returned to Glasgow this summer after a stint with Worcester, and is in line to win his 60th cap against the Springboks, with Scotland heading to South Africa after a narrow 21-19 win over Argentina on Saturday.

Johannesburg-born Holmes joined Glasgow in 2012, qualifying for Scotland through his Peebles-born father, while Ashe is a Scotland Under-20s and Glasgow academy graduate.

Scotland boss Vern Cotter has called up the trio to offset the injury loss of back-rower David Denton, and the decision to send prop Gordon Reid home to rest.

Eur gonna have to wait to splash the cash!

By ANGUS REID

CELTIC will hold back on splashing the cash until their Champions League place is secured.

That's the view of Hoops legend Davie Hay, who – along with new Celtic boss Ronny Deila – is waiting to see who the champions are paired with in the second qualifying round, when the draw is made tomorrow.

Celtic have to face two qualifiers and a play-off before they are certain of a place in the highly lucrative group stages for the third season running.

And Hay is sure Deila won't be getting the chequebook out until that happens.

He said: "You might get the odd player that will come in before a place in the Champions League is safe, but I think they'll wait until the end of the qualifying stages.

"Players will be doing the same. The lure of playing in the group stages compensates for the fact they're playing in Scotland.

Speculation

"The club can get caught in a dilemma, but a player will more often that not wait to see where Celtic are playing before committing himself.

"The manager will be looking at players, but I don't think he needs to change too much early doors. The squad he's got is good enough to get to the group stages."

Virgil van Dijk and Fraser Forster have both been linked with moves away from Parkhead.

Hay reckons the big defender is staying – but he thinks there's more chance of Forster jumping ship.

He added: "There is speculation about Van Dijk, and there will be more talk about Fraser Forster, but everyone knows how important it is to hold on to these types of players.

"I think that Van Dijk will stay. There is maybe more of a chance of Forster leaving after the World Cup.

"Celtic are well aware of the importance of keeping both of them and Peter Lawwell has said they don't need to sell.

"They might be able to hold on to them until they qualify for the Champions League, if they do, and the decisions could be taken after that.

"They could go down south and earn more, but not necessarily play in the Champions League.

"That might have an influence on whether or not they stay."
